HISTORY. Football hooliganism dates back to 1349, when football originated in England during the reign of King Edward III. When villages played one another, the villagers main goal involved kicking the ball into their rival’s church. King Edward banned the game as it distracted his subjects and caused constant social unrest.

Football Hooligans - Subcultures and Sociology

Ethnicity and football is a description of the global acceptance of association football, with players from many different races and countries participating. While football has moved around the world

from its roots in England during the 18th century, the progress of non-European players has sometimes been hindered, with racism a continuing problem in many different countries. People of different races have sometimes not been accepted as players in European football. This has changed
