Concept. The Journal of Contemporary Community Education Practice Theory. The Concept Journal offers a lively independent forum for critical debate and exchange of ideas in contemporary Community Education. Community Education is seen in the broadest sense to include community work, adult education and youth work and takes place in a range of settings and agencies.

Concept

A concept is a term that is often used in metaphysics, especially in ontology that can be defined as a fundamental category of existence. It is a group of abstract ideas put together in order to describe a phenomenon. However, in philosophy, there exists three ways of defining a concept.

(PDF) The concept of validity in theory and practice

Practice theory is a theory which seeks to understand and explain the social and cultural world by analyzing the basic bodily, knowledge based practices that interconnect to form more complex social entities like groups, lifestyles, social fields or entire societies. Practice theory, as outlined by Sherry Ortner, "seeks to explain the relationship that obtain between human action, on the one hand, and some global entity which we call 'the system's on the other". The approach seeks to resolve the
