The Top Secret game is based exclusively on 10-sided dice. All character attributes and other statistics are percentiles; some scores are rolled, and some are derived from combinations of two or more other scores. Top Secret also features Areas of Knowledge, which function similarly to skills in more modern RPGs.

Top Secret: New World Order

Along with Dungeons & Dragons and Traveller, another great love of my early RPG career was TSR's Top Secret.First released in 1980, it was written by Merle M. Rasmussen, a writer of somewhat mysterious pedigree. That is, he appears to have debuted on the RPG scene as the creator of Top Secret and, with the exception of a couple of D&D modules in the mid to late 80s, to have done little else in ...
