The Womb Realm is based on the Mahavairocana Tantra. The name of the mandala derives from chapter 2 of the sutra, where it is said that the buddha Mahāvairocana revealed the mandala's secret teachings to his disciple Vajrasattva from his "womb of compassion". In other translations, the term Matrix Realm or Matrix Mandala are used.

Womb Realm - Wikipedia

these are all the experiences we're having outside of the womb, right, and even some of them that happened within the womb, those environmental influences that impact our development. Now another way to look at both of these terms is to give them additional terminology and that's just nativism versus empiricism. They're just two of the same ideas but just with additional labels.
