Schedule periodical calls with your customers to share updates about how things are going and to ask how happy they are with your services on a scale from 1-10, 10 being best.

10 Ways to Keep Making Your Clients Happier and Happier

Good customer service is the lifeblood of any business. You can offer promotions and slash prices to bring in as many new customers as you want, but unless you can get some of those customers to come back, your business won't be profitable for long. Good customer service is all about bringing customers back. And

about sending them away happy - happy enough to pass positive feedback about your ...

The 8 Simple Rules for Good Customer Service

Let's put the most important data point front and center: According to the Harvard Business School, increasing customer retention rates by 5 percent increases profits by 25 percent to 95 percent (). This is important to consider when evaluating your own customer loyalty strategies because in the customer service echo-chamber there is a lot of "hoo rah" about taking care of customers, but ...

Happy Customers Everywhere: How Your Business Can Profit ...

Happy customers won't look at your competitor's offers - they will happily interact with your brand again, make a purchase and recommend the product further. If you meet all of their requirements and answer their needs while delivering the best quality of your services, they will be fully satisfied.

**Customer
Satisfaction: That's
Why It's Still
Important in 2020**

When you delight your customers by resolving their issues and then exceeding their expectations (see the second tip) your

customers will be motivated and excited to share the story. Again, everyone is happy to spread the word about how special and important they are that a company went out of their way to help them.
