Industrialization Changes Life (pages

289–291) How did industrialization change people's ways of life?

Industrialization brought many changes to the British people. More people could use coal to heat their homes, eat better food, and wear better clothing. Another change was urbanization—city build-

urbanization Industrialization

The English city of Manchester is a good example of how industrialization changed society. Rapid growth made the city crowded and filthy. The factory owners risked their money and worked long hours to make their businesses grow. In return, they enjoyed huge profits and built huge houses.
