Tangent might not be a household name... yet, but it's making a bid for that status with its wide range of likeable audio products. The AMP-200 might not be perfect, but it does show much of that likeability, at least where sound is concerned. Put on Jack Johnson's Sleep Through the Static album, and the smooth grooves flow with real fluidity. It's the well-defined and refined midrange that's most responsible for this.
