The Robotic Process Automation Handbook - A Guide to ...

The Robotic Process Automation Handbook: A Guide to Implementing RPA Systems. Book Description While Robotic Process Automation (RPA) has been around for about 20 years, it has hit an inflection point because of the convergence of cloud computing, big data and AI. This book shows you how to leverage RPA effectively in your company to automate repetitive and rules-based processes, such as scheduling, inputting/transferring data, cut and paste, filling out forms, and search.
