An Introduction to Careers in Environmental Law and Policy (ELI Summer School, 2020)

International Environmental Law Policy And

Abstract. This book is concerned with the question of why the environment is protected in the international arena. This question is rarely asked because it is assumed we all want to achieve the same ends. However, in this study of international environmental ethics, this book explodes this myth. It shows how nations, like individuals, are creating environmental laws and policies which are continually inviting failure since such laws are riddled with

inconsistencies and are ultimately ...
