Historians first use it (from about 1840) for the period from the 14th to the 16th century, implying a rediscovery of rational civilization (exemplified by Greece and Rome) after the medieval centuries - seen as superstitious and artistically primitive.

HISTORY OF THE RENAISSANCE

The Renaissance was a period in Europe, from the 14th to the 17th century, regarded as the cultural bridge between the Middle Ages and modern history. It started as a cultural movement in Italy, specifically in Florence, in the late medieval period and later spread to the rest of Europe, marking the beginning of the early modern age.

The Renaissance | Boundless World History

During the 15th century, the great formative period of the Italian Renaissance, Venice lags far behind Florence and Rome in responding to the spirit of the time. The reason is partly the long centuries of Byzantine influence; Venetian patrons still expect a painting to be an object of solemn formality, preferably against a gilded background in the tradition of icons .
