Collective Intelligence: Creating a Prosperous World at ...

Collective Intelligence: Creating a Prosperous World at Peace. The era of collective intelligence has begun in earnest. While others have written about the wisdom of crowds, an army of Davids, and smart mobs, this collection of essays for the first time brings together fifty-five pioneers in the emerging discipline of collective intelligence.

Collective Intelligence: Creating a Prosperous World at ...

While man can come together in spontaneous co-operation and produce an improvement of the human condition, the very idea of COLLECTIVE intelligence, the structured assemblage of numerous individual intelligences, is a non-sequitur and oxymoron. Peace and prosperity is not a product of COLLECTIVization.
