### Say Nothing

#### **A True Story of Murder and Memory in Northern Ireland** *Anchor*

NEW YORK TIMES BESTSELLER \* From the author of *Empire of Pain*--a stunning, intricate narrative about a notorious killing in Northern Ireland and its devastating repercussions "Masked intruders dragged Jean McConville, a 38-year-old widow and mother of 10, from her Belfast home in 1972. In this meticulously reported book--as finely paced as a novel--Keefe uses McConville's murder as a prism to tell the history of the Troubles in Northern Ireland. Interviewing people on both sides of the conflict, he transforms the tragic damage and waste of the era into a searing, utterly gripping saga." --New York Times Book Review Jean McConville's abduction was one of the most notorious episodes of the vicious conflict known as The Troubles. Everyone in the neighborhood knew the I.R.A. was responsible. But in a climate of fear and paranoia, no one would speak of it. In 2003, five years after an accord brought an uneasy peace to Northern Ireland, a set of human bones was discovered on a beach. McConville's children knew it was their mother when they were told a blue safety pin was attached to the dress--with so many kids, she had always kept it handy for diapers or ripped clothes. Patrick Radden Keefe's mesmerizing book on the bitter conflict in Northern Ireland and its aftermath uses the McConville case as a starting point for the tale of a society wracked by a violent guerrilla war, a war whose consequences have never been reckoned with. The brutal violence seared not only people like the McConville children, but also I.R.A. members embittered by a peace that fell far short of the goal of a united Ireland, and left them wondering whether the killings they committed were not justified acts of war, but simple murders. From radical and impetuous I.R.A. terrorists such as Dolours Price, who, when she was barely out of her teens, was already planting bombs in London and targeting informers for execution, to the ferocious I.R.A. mastermind known as The Dark, to the spy games and dirty schemes of the British Army, to Gerry Adams, who negotiated the peace but betrayed his hardcore comrades by denying his I.R.A. past--Say Nothing conjures a world of passion, betrayal, vengeance, and anguish. Look for Patrick Radden Keefe's latest bestseller, *Empire of Pain*

### Say Anything to Anyone, Anywhere

Offers simple guidelines for improving multi-cultural interpersonal skills and becoming proactive in your communications with members of other cultures to build strong, productive relationships in person, on the phone and by email in your

professional dealings.

### Before You Say Anything

#### **The Untold Stories and Failproof Strategies of a Very Discreet Speechwriter** *St. Martin's Press*

Victoria Wellman's *Before You Say Anything* invites readers into the game-changing creative process of New York's busiest speechwriter, delivering actionable insights for anyone tasked with speaking in public. In the age of information and influence, the ability to authentically express yourself in words has become both a rite of passage and an essential skill for anyone who wants to make a difference—however modest or grand—in their family, community, workplace, or at the podium in front of thousands. And yet the conventional wisdom around what resonates for today's speakers and their audiences has failed to evolve, leaving speakers wondering how they will craft a speech that provides the individuality, originality and authenticity our culture demands. While we can't all be the next Amanda Gorman, however, there is a roadmap every speaker can follow—regardless of their experience—to elevate a narrative from serviceable to unforgettable. This is true whether you are roasting a colleague at an office party, delivering a keynote industry address, accepting an award, or eulogizing a loved one. In *Before You Say Anything*, Victoria Wellman—the founder and president of Manhattan-based speechwriting company The Oratory Laboratory—shares her unique methodology for researching, reimagining, crafting, and delivering a professional quality speech by focusing on three core objectives: respect for the audience, the restless pursuit of originality, and intentionality behind every word. Full of hilarious anecdotes and examples from Wellman's extensive experience as the go-to speechwriter for power players and everyday people from around the world, *Before You Say Anything* is an irresistible antidote to the age-old doctrine of what a speech must include. Instead it will leave readers with an enlightened and refreshing way of thinking about their sources, ideas and material, and a strategy of putting it all to use.

### Say Anything

#### **How Leaders Inspire Ideas, Cultivate Candor, and Forge Fearless Cultures** *CreateSpace*

What if some of the most powerful words in your organization were, "I'm not sure," "I need help," and "I have a new idea..." What if people could simply communicate what they are really thinking without having to run it through verbal Photoshop first? When you have the upper hand in the relationship--when you are the leader--your people should be able to Say Anything to you. It is your responsibility to create an authentic environment characterized by honesty and trust that encourages everyone to share their ideas. When your people don't speak up--it's not their problem--it's yours. Say Anything connects you with leaders from a diversity of backgrounds. You'll learn from top executives in Silicon Valley, an NFL kicker, and simultaneously find brilliance locked inside the walls of a Washington State penitentiary. You'll read compelling research involving a murder mystery scenario, and explore the quiet wisdom of a renowned horse whisperer. You'll travel along as we unpack lessons from the Civil War and the U.S. Navy, then you'll laugh with us at our own Reality TV debacle. The collection of lessons packed into this book will leave you better than they found you. We promise. Ultimately, this book is a letter to leaders--filled with experience, research, and practicality. Working inside the walls of a vast array of organizations for the past decade, we have seen time and again

leaders are failing to draw out ideas from their introverts and, at the same time, shutting up their extroverts. It's happening in all organizations-including yours. And, rest assured, the losses resulting from timidity and silence are immense. Three key dynamics stand between your people's thoughts and your ears: - The suffocating aura of your own power, - The stinging bite of past experience, - The fear of judgment and disapproval. These three inhibitors make candid communication unsafe. You must recognize and acknowledge the complex dynamics inherent in being the leader, then work tirelessly to mitigate the aforementioned obstacles. The first step-the force that holds everything else together-is to assume (and thus create) positive intent. Nothing will kill fearless communication more quickly than the way in which you interpret words (and the resulting look on your face and tone of your response). We make an impassioned yet research-backed case for the power of assuming positive intent, and then provide the tools to follow it up: Prove It's Safe: make your appreciation for fearless communication explicit, jump in first by speaking vulnerably, and, if needed, rope off some small boundaries. Dignify Every Try: when your people start to speak up, dignify the slightest (or even most awkward) try. Make a big deal of it. Be Genuinely Curious: pocket your dynamite (a leader's tendency to dominate conversation), ask Authentic Questions (and then really listen), and draw in those who are normally overlooked (introverts and newcomers). Leading well is no easy feat. We know that. We've learned many of the lessons in this book the hard way. Thankfully, this reality has paved the way to what we believe is the most powerful concept for leaders today. When people feel empowered to share what they're thinking, ideas thrive, sacred cows die, and decisions improve. Study this book. Keep its concepts top-of-mind. Building a Say Anything culture will pay a greater return than anything else you could commit to right now.

**Imperfect Phrases For Relationships: 101 COMMON Things You Should Never Say To Someone Important To You...And What To Say Instead** *Bacal & Associates*

**Say Something!** *Scholastic Inc.*

From the creator of the New York Times bestseller *The Word Collector* comes an empowering story about finding your voice, and using it to make the world a better place. The world needs your voice. If you have a brilliant idea... say something! If you see an injustice... say something! In this empowering new picture book, beloved author Peter H. Reynolds explores the many ways that a single voice can make a difference. Each of us, each and every day, have the chance to say something: with our actions, our words, and our voices. Perfect for kid activists everywhere, this timely story reminds readers of the undeniable importance and power of their voice. There are so many ways to tell the world who you are... what you are thinking... and what you believe. And how you'll make it better. The time is now: SAY SOMETHING!

**Say What?** *Simon and Schuster*

When their parents begin saying the wrong thing every time six-year-old Sukey and her older brothers misbehave, the children discover that it is a plot and fight back with their own wrong phrases.

**Before You Say Anything**

**How to Have Better Conversations, Love Public Speaking, and Finally Know What to Do with Your Hands**

The only book on public speaking you will ever need.

**How to Say NO**

**Say YES to Yourself by Saying NO (to Others)** *Can Akdeniz*

How often have you heard yourself responding with YES to things that were not good for you? Things that consumed your time and energy, and sabotaged your confidence? Have you found yourself experiencing uncomfortable situations, unhealthy relationships and carrying out tasks that you weren't supposed to simply because you didn't quite know how to say NO? Then read this book.

**To Say Nothing of the Dog** *Bantam*

From Connie Willis, winner of multiple Hugo and Nebula Awards, comes a comedic romp through an unpredictable world of mystery, love, and time travel . . . Ned Henry is badly in need of a rest. He's been shuttling between the 21st century and the 1940s searching for a Victorian atrocity called the bishop's bird stump. It's part of a project to restore the famed Coventry Cathedral, destroyed in a Nazi air raid over a hundred years earlier. But then Verity Kindle, a fellow time traveler, inadvertently brings back something from the past. Now Ned must jump back to the Victorian era to help Verity put things right—not only to save the project but to prevent altering history itself.

**You Can Say Anything!**

**Phony Moral Guidance from the Mouth of President Trump**

Can the words of Donald J. Trump guide our children? This book explores the possibilities as we review quotes from our President through the eyes of a child. Should you read this book with children? Let's put it this way: How comfortable are you quoting the words of Donald Trump? Yet, this book holds out hope that the common good will prevail as voters actively express their hopes and concerns. To help review progress, readers can create their own Donald J. Trump report cards! Also appearing: Steve Bannon, Vladimir Putin, Bernie Sanders, and special guest Barack Obama.

**Why I Didn't Say Anything** *Insomniac Press*

In 1996, Sheldon Kennedy rocked the insular world of Canadian hockey by announcing that his former minor-league coach, Graham James -- the Hockey News 1989 Man of the Year -- had sexually abused him more than 300 times. The media portrayed Kennedy as a hero for breaking the code of silence in professional hockey and bringing James to justice. The heroic myth intensified in 1998 when Kennedy announced that he was going to in-line skate from Newfoundland to British Columbia to raise awareness of sexual abuse. The skate raised over \$1 million for Canadian Red Cross sexual abuse programs, and Kennedy settled in Calgary with his wife and young daughter. Anyone who has followed hockey in the last ten years is familiar with the story of ex-NHL player Sheldon Kennedy. As one of the most promising hockey talents to emerge from the Canadian minor leagues in the last two decades, Kennedy was destined for hockey greatness. But after he was drafted by the Detroit Red Wings in 1988, he attracted more attention for his off-ice antics than for his contributions to the score sheet. Plagued by rumours of drug and alcohol abuse and a string of injuries, Kennedy drifted from team to team. The happy ending promised by the headlines never materialized. Still haunted by the demons of sexual abuse, Kennedy's life spiralled out of control. Now he has finally come forward to tell his story, and the story of coach Graham James, who is out of prison and currently coaching hockey in Europe.

**Hate List** *Little, Brown Books for Young Readers*

For readers of Marieke Nijkamp's *This Is Where It Ends*, a powerful and timely contemporary classic about the aftermath of a school shooting. Five months ago, Valerie Leftman's boyfriend, Nick, opened fire on their school cafeteria. Shot trying to stop him, Valerie inadvertently saved the life of a classmate, but was implicated in the shootings because of the list she helped create. A list of people and things she and Nick hated. The list he used to pick his targets. Now, after a summer of seclusion, Val is forced to confront her guilt as she returns to school to complete her senior year. Haunted by the memory of the boyfriend she still loves and navigating rocky relationships with her family, former friends, and the girl whose life she saved, Val must come to grips with the tragedy that took place and her role in it, in order to make amends and move on with her life. Jennifer Brown's critically acclaimed novel now includes the bonus novella *Say Something*, another arresting Hate List story.

### Helping Others with Depression

#### **Words to Say, Things to Do** *Johns Hopkins University Press*

It is of enormous value to the layperson, hungry for knowledge about how best to interact and help their loved one face the dreadful ravages of depression."—*Nursing Times*

### Say What You Mean

#### **A Mindful Approach to Nonviolent Communication** *Shambhala Publications*

Find your voice, speak your truth, listen deeply—a guide to having more meaningful and mindful conversations through nonviolent communication We spend so much of our lives talking to each other, but how much are we simply running on automatic—relying on old habits and hoping for the best? Are we able to truly hear others and speak our mind in a clear and kind way, without needing to get defensive or go on the attack? In this groundbreaking synthesis of mindfulness, somatics, and Nonviolent Communication, Oren Jay Sofer offers simple yet powerful practices to develop healthy, effective, and satisfying ways of communicating. The techniques in *Say What You Mean* will help you to:

- Feel confident during conversation
- Stay focused on what really matters in an interaction
- Listen for the authentic concerns behind what others say
- Reduce anxiety before and during difficult conversations
- Find nourishment in day-to-day interactions

"Unconscious patterns of communication create separation not only in our personal lives, they also perpetuate patterns of misunderstanding and violence that pervade our world. With clarity and great insight, Oren Jay Sofer offers teachings and practices that train us to speak and listen with presence, courage, and an open heart." —Tara Brach, author of *Radical Acceptance* and *True Refuge*

#### **Say Something** *Tilbury House Pub*

A child who never says anything when other children are being teased or bullied finds herself in their position one day when jokes are made at her expense and no one speaks up.

### Keep It Shut

#### **What to Say, How to Say It, and When to Say Nothing at All** *Zondervan*

Kind, encouraging, and humorous, Karen Ehman helps us learn the essential practice of using our words more effectively--alleviating heartache and regret, reducing relational tension and conflict, lessening our stress levels, and growing our relationship with God. From Bible times to modern times women have

struggled with their words. What to say and how to say it. What not to say. When it is best to remain silent. And what to do when you've said something you wish you could now take back. In this book a woman whose mouth has gotten her into loads of trouble shares the hows (and how-not-tos) of dealing with the tongue. Beyond just a "how not to gossip" book, this book explores what the Bible says about the many ways we are to use our words and the times when we are to remain silent. Karen will cover using our speech to interact with friends, co-workers, family, and strangers as well as in the many places we use our words in private, in public, online, and in prayer. Even the words we say silently to ourselves. She will address unsolicited opinion-slinging, speaking the truth in love, not saying words just to people-please, and dealing with our verbal anger. Christian women struggle with their mouths. Even though we know that Scripture has much to say about how we are--and are not--to use our words, this is still an immense issue, causing heartache and strain not only in family relationships, but also in friendships, work, and church settings. Also available: *Keep It Shut* small group video study and study guide.

### Say Nothing

#### **A Novel** *Penguin*

"Outstanding—starts with a bang and gets tenser and tenser. *Say Nothing* shows Parks is a quality writer at the top of his form."—Lee Child "Terrific book. Truly terrific. Tension throughout and tears at the end."—Sue Grafton Judge Scott Sampson doesn't brag about having a perfect life, but the evidence is clear: A prestigious job. A loving marriage. A pair of healthy children. Then a phone call begins every parent's most chilling nightmare. Scott's six-year-old twins, Sam and Emma, have been taken. The judge must rule exactly as instructed in a drug case he is about to hear. If he refuses, the consequences for the children will be dire. For Scott and his wife, Alison, the kidnapper's call is only the beginning of a twisting, gut-churning ordeal of blackmail, deceit, and terror. Through it all, they will stop at nothing to get their children back, no matter the cost to themselves...or to each other. "Complications and twists build to an unexpected climax that is both perfect and gut-wrenching."—*Library Journal* (starred review) "Grips the reader from the get-go and doesn't let up until the final twist."—*Associated Press*

### Putnam's Word Book

#### **SAY WHAT YOU SEE for Parents and Teachers**

This step-by-step guide to cross-cultural business will help you build strong relationships and manage successfully, no matter the cultural differences.

### **See Something, Say Nothing**

#### **A Homeland Security Officer Exposes the Government's Submission to Jihad WND Books**

When recently retired DHS frontline officer and intelligence expert Philip Haney bravely tried to say something about the people and organizations that threatened the nation, his intelligence information was eliminated, and he was investigated by the very agency assigned to protect the country. The national campaign by the DHS to raise public awareness of terrorism and terrorism-related crime known as If You See Something, Say Something effectively has become If You See Something, Say Nothing. In SEE SOMETHING, SAY NOTHING, Haney a charter member of DHS with previous experience in the Middle East and co-author Art Moore expose just how deeply the submission, denial and deception run. Haney's insider, eyewitness account, supported by internal memos and documents, exposes a federal government capitulating to an enemy within and punishing those who reject its narrative. In this well-documented, first-person account of his unique service with DHS, Haney shows why it's imperative that Americans demand that when they see something and say something, the servants under their charge do something to prevent a cunning, relentless enemy from carrying out its stated aim to "destroy Western Civilization from within."

### **Globish the World Over**

#### **A Book Written IN Globish**

"I must congratulate you on GLOBISH THE WORLD OVER. It's a pioneering text of great importance, full of enthralling insights for native and non-native English users alike." -- Robert McCrum, author, The Story of English and Literary Editor, London Observer. Globish, as a concept, takes to task the world hegemony of arrogant English-speakers. Hence the landmark book Don't Speak English - Parlez Globish became a best-seller in French, and other languages, but it never appeared in English. GLOBISH THE WORLD OVER is the first book written in Globish-English. Non-native English speakers from non-Anglophone countries use English better between themselves than with any native English speaker. Globish codifies their very efficient "similar limitations." The word Globish may strike English-speakers as an "odd" way to rename their English. However billions of speakers in Brazil, Russia, India and China will be the new "owners" of what the world is now calling Globish. The implications are far-reaching. GLOBISH THE WORLD OVER discusses this phenomenon, and demonstrates that Globish - as a deliberate and sufficient subset of English for international communication - is limited more by a person's communication ability than by mere words.

### **Speak Like Yourself--no, Really!**

This uniquely effective and personal approach has worked for hundreds of the author's private public speaking clients, and it will work for you!

### **The New Magnified Version of Isaiah in Plain English!**

#### **The Understandable Version of the Book of Isaiah! Createspace Independent Publishing Platform**

The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not: beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed!

### **The New Intimacy**

### **The Amazing Book of No** *Createspace Independent Publishing Platform*

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, while the other says "yes" to everything. It is cute and engaging all in one, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

### **Be Assertive! Be Your Authentic Self!** *CreateSpace*

How many times have you told yourself quit being such a PUSHOVER and stand up for what you really think and believe? Why don't you just speak up already? Are you fed up with pleasing others or settling for what you get instead of going for what you really want and need? Can you imagine how freeing and amazing it would be to get your power back and daring to be who you genuinely are? Are you looking for a straightforward and easy way to improve your self-esteem, reduce your self-criticism, feel better about yourself and have a healthier and happier life? ### **Death: What Not to Say**

#### **How to Confidently Approach a Grieving Person ... and All the Things Not to Do and Say** *Createspace Independent Publishing Platform*

-No one is immune to death. And no one who reads this will be immune to the charm - and power - of Colin Bird's wise and wildly original -how-to- for those who find themselves face-to-face with the great inevitable, DEATH: WHAT NOT TO SAY. Think Paulo Coelho, if Coelho ever had to sleep in his car, or make his living as a Nursing Home Chaplain. Colin Bird's brand of street-level pragmatism on matters of compassion and mortality is as massively refreshing as it is on-the-ground useful for anyone trying to be there for suffering friends and loved ones. They should pass this book out in hospitals and funeral homes, or stick in hotel nightstands instead of bibles. It's a lot more useful - and a much better read. DEATH: WHAT NOT TO SAY is a fearless, heartfelt, and utterly invaluable handbook for anyone who isn't dead, but knows a few people who are - or are about to be.- -Jerry Stahl, Screenwriter and LA Times bestselling author: I, Fatty; Permanent Midnight -Colin Bird serves up his own brand of commentary in DEATH: What Not To Say. Supremely witty yet cuttignly honest, a richly worded yarn from a man that's seen the losing side of life and ran from it. Couldn't put it down.- -Dean Karnazes, Ultramarathoner and New York Times bestselling author -As a licensed therapist for 16 years I've seen a lot of grieving souls. Grief is no respecter of persons. It touches everyone. And it's relentless. People die and we can't stop it. People grieve and we can't stop it. But stopping it isn't really the goal, loving through it is. That's the message of Colin Bird's book, -Death: What Not to Say-. There are a myriad of books on grief written by professionals. We know what to say and what not to say. We know what to expect, how to listen well, and why honoring someone's grief is so delicate and crucial. We've had lots of practice. But approaching a Griever well is just not easily taught. We professionals were beginners once. True proficiency has come from trial and error. And honestly, grief filling up my living room is different from grief sitting in my office... so very different. Not because of the grief, but the relationship between me and the Griever. That's one of the reasons I love this book. Written in the style of an artist, -Death: What Not to Say- is a conversation with a man who has experienced pain, excruciating, life-altering, soul-searching pain. Not just his, but others'. He's walked his own grief journey and accompanied others on theirs. Filled with stories that raise your ire, melt your heart, and convict you to the core, Colin's words are raw, real and refreshing. Hopefully, readers will never look at a Grieving person the same. And if they follow these basic steps, they will truly approach with confidence.- -Carrie P Bussmann, LCPC Licensed Clinical Professional Counselor; Owner/Director Truth in Love Counseling, Normal IL -A wake up call intent on forcing the -helpers- to grow up. This work is something long overdue. PAY ATTENTION to the wisdom found in this bright young genius. Take notes. Trust me on this... THERE WILL BE A TEST.- -Geoff Thurman, DOVE Award-winning Singer/Songwriter, Pastor, Counselor -What you get is an unexpected, rich and fun (yes, you read that right) celebration of life. It seems that Colin Bird was bathed into the kind of holy water that makes people natural healers. The kind who knows that deepest truth, but doesn't preach it, he shares it.- -Simone Bartesaghi, Professor UCLA, Director, Writer, Author of The Director's Six Senses

### **Learn Conversational Spanish**

#### **Spanish Now!**

If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!

### **I Am Safe. I Am Good. I Am Loved.**

#### **A Second Language Learner's Journey** *Createspace Independent Publishing Platform*

Imagine a class of disenchanted, turned-off teens, mostly males. Then imagine those same students feeling poorly about themselves - feeling they are dumb because they have not been told it takes time to learn a second language. Imagine adults passing through their lives and finally one sticks around to show them they are loved. They are safe. They are good. Just imagine.

### **Project Intimacy**

#### **Your Guide to Relationship Happiness**

Project Intimacy is a relationship self-help book that shows people how to connect deeply with their partner.

### **Don't Date a Psycho**

#### **Don't Be One, Don't Date One** *CreateSpace*

"What are you, some kinda PSYCHO?" How many times have you said this to someone? Probably a lot. How often has someone said this to you? Hopefully, not so much! Truth is, we've all dated or been involved with someone who drove us nuts or, if we haven't, chances are that we were the ones who got on the other person's nerves. Now, the question is: who is the Psycho; you or the other person? Don't Date a Psycho: Don't Be One, Don't Date One looks at why we behave in the ways that we do in relationships, what makes us stay with the person we're with and what makes us leave them, and how to tell who is safe to be in a relationship with and who is unsafe. Done with humor and written from more than two decades of clinical experience as a psychologist, Dr. Keiron Brown helps us to gain a clearer

understanding of who we are as individuals, who we are as partners in relationships and what makes each and every one of us prone to acting a little nuts sometimes when our hearts are at stake.

### **The DUH! Book of Management and Supervision**

#### **Dispelling Common Leadership Myths : a Practical Guide for Leaders that Reminds Us of the Obvious**

"Managerial styles are influenced by habit, familiarity, and workplace culture. It's no wonder that well-intentioned professionals doing their best to be good organizational leaders often repeat unhelpful supervisory practices experienced in their early careers, even if they disliked them at the time. In the DUH! Book of Management and Supervision, the author disagrees with many accepted leadership principles (unabashedly referring to them as myths) and makes new and different approaches easier to imagine. Her challenging and controversial concepts illustrated with poignant stories suggest common-sense and immediately applicable alternatives more suitable in today's workplace"--Back cover.

#### **You Have to Say Something** *Shambhala Publications*

Dainin Katagiri (1928-1990) was a central figure in the transmission of Zen in America. His first book, *Returning to Silence*, emphasized the need to return to our original, enlightened state of being, and became one of the classics of Zen in America. In *You Have to Say Something*, selections from his talks have been collected to address another key theme of Katagiri's teaching: that of bringing Zen insight to bear on our everyday experience. "To live life fully," Katagiri says, "means to take care of your life day by day, moment to moment, right here, right now." To do this, he teaches, we must plunge into our life completely, bringing to it the same wholeheartedness that is required in Zen meditation. When we approach life in this way, every activity—everything we do, everything we say—becomes an opportunity for manifesting our own innate wisdom. With extraordinary freshness and immediacy, Katagiri shows the reader how this wisdom not only enlivens our spiritual practice but can help make our life a rich, seamless whole.

### **How to Say No and Keep Your Friends**

#### **Peer Pressure Reversal for Teens and Preteens** *Human Resource Development*

Tells how to deal with negative peer pressure, explains how to make a good decision, and discusses behavior related to tobacco, alcohol, drugs, and sex.

### **I Had to Say Something**

#### **The Art of Ted Haggard's Fall** *Seven Stories Press*

This is the story of the sexual relationship between Michael Forest Jones, a Denver man who worked as an escort, and the Reverend Ted Haggard, founder and pastor of the New Life Church of Colorado Springs. As a rule, Mike never delved into the personal lives of his clients. He entertained celebrities, clergyman, politicians, pro-football players, and just regular guys. In 2003, a man named "Art" called Mike to set up an appointment. For almost three years, Art came to see him at least once a month. It was simply a business relationship for Mike, yet he sensed that for Art, it was more. Like many clients who were closeted, Art revealed his vulnerabilities as he struggled to deny his true desire for sexual contact and affection with a man. One day, while working out at his gym, Mike

recognized "Art" preaching hate on a religious cable channel. He soon discovered that Art was actually the Reverend Ted Haggard, who, as President of the National Association of Evangelicals, influenced the daily lives of millions of believers, condemning homosexuality and advocating virulently against gay rights and same-sex unions. On November 1, 2006, Mike made public his relationship with Ted Haggard. Within days, Haggard resigned from all his positions of power, admitting to a "sexual immorality" that shook the evangelical world, right before Election Day 2006.

Once Haggard was outed, Mike's clients stopped calling. He had effectively put himself out of business and put himself at risk of being trivialized and dismissed, as sex workers often are. It was Mike's courage and strength of conscience that ultimately led him to come forward about the hypocrisy of Haggard's life. Here is the disarming story of how one man's deceit inspired another man to become a spokesperson for telling the truth and for not being ashamed of who you are.
