and fellow book lovers in our vivid area. Share your preferred reviews, participate in thoughtful conversations, and find brand-new literary treasures. And if you ever need aid locating the ideal book, our experienced team is here to give individualized recommendations.

Ship of Fools

A Novel *Open Road Media*

This “dazzling” National Book Award finalist set aboard an ocean liner in 1931 reflects the passions and prejudices that sparked World War II (San Francisco Chronicle). August 1931. An ocean liner bound for Germany sets out from the Mexican port city of Veracruz. The ship’s first-class passengers include an

idealistic young American painter and her lover; a Spanish dance troupe with a sideline in larceny; an elderly German couple and their fat, seasick bulldog; and a boisterous band of Cuban medical students. As the Vera journeys across the Atlantic, the incidents and intrigues of several dozen passengers and crew members come into razor-sharp focus. The result is a richly drawn portrait of the human condition in all its complexity and a mesmerizing snapshot of a world drifting toward disaster. Written over a span of twenty years and based on the diary Katherine Anne Porter kept during a similar ocean voyage, *Ship of Fools* was the bestselling novel of 1962 and the inspiration for an Academy Award-winning film starring Vivien Leigh. It is a masterpiece of American literature

as captivating today as when it was first published more than a half century ago. This ebook features an illustrated biography of Katherine Anne Porter, including rare photos from the University of Maryland Libraries.

Ship of Fools *Back Bay Books*

A novel recounting the lives and actions of the passengers on a ship en route from Mexico to Germany in 1931

Katherine Anne Porter's Ship of Fools

New Interpretations and Transatlantic Contexts *University of North Texas Press*

Containing pieces by distinguished scholars including Darlene Harbour

Unrue and Robert Brinkmeyer, this book is the first full investigation of the links between Porter's only novel and European intellectual history. Beginning with Sebastian Brant, author of the late medieval *Narrenschiff*, whom she acknowledges in her Preface to *Ship of Fools*, Porter's image of Europe emerges as more complex, more knowledgeable, and more politically nuanced than previous critics of her novel have acknowledged. *Ship of Fools* is in conversation with Europe's humanistic tradition as well as with the political moments of 1931 and 1962; i.e., the years that elapsed from the novel's conception to its completion. The novel and the 1965 film based upon it intervene into the history of film, the assessment of Weimar Germany, and

Porter's clear-eyed judgment of her own times through the lens of her art.

Uncollected Early Prose of Katherine Anne Porter *University of Texas Press*

This volume brings together 29 pieces dating from before 1932, none of which appear in her collected works and many of which are published here for the first time. Includes both fiction and essays.

Katherine Anne Porter and Texas

An Uneasy Relationship *Texas A&M University Press*

Essays discuss Porter's early life in Texas, her major writings, and influences on her work

A Structural Study of Katherine

Anne Porter's Ship of Fools**Flowering Judas and Other Stories**

The Ship of Fools *Courier Corporation*
Definitive English language edition of influential (1494) allegorical classic. Sweeping satire of weaknesses, vices, grotesqueries of the day. Includes 114 royalty-free illustrations.

Katherine Anne Porter

A Life *University of Georgia Press*
A biography of one of American literature's most enigmatic figures portrays the award-winning writer through all the drama, passion, excitement, and carefully constructed fiction of her ninety-year life

Ship of Fools**Katherine Anne Porter and Mexico**

The Illusion of Eden *University of Texas Press*

In 1920, an unknown journalist named Katherine Anne Porter first sojourned in Mexico. When she left her "familiar country" for the last time in 1931, she was the celebrated author of *Flowering Judas and Other Stories* and had accumulated a wealth of experiences and impressions that would inspire numerous short stories, essays, and reviews, as well as the opening section of her only novel, *Ship of Fools*. In this perceptive study of Porter's Mexican experiences, Thomas Walsh traces the important connections between those

events and her literary works. Separating fact from the fictions that Porter constantly created about her life, he follows the active role that she played in Mexican political and intellectual life—even to the discovery of a plot to overthrow the Mexican government, which eventually figured in *Flowering Judas*. Most important, Walsh discerns how the great swings between depression and elation that characterized Porter's emotional life influenced her alternating visions of Mexico. In such works as "Xochimilco," Porter saw Mexico as an earthly Eden where hopes for a better society could be realized, but in other stories, including "The Fiesta of Guadalupe," she depicts Mexico as a place of hopeless oppression for the native peoples.

Mexico, Porter once said, gave her back her Texas past. Given the unhappiness of that past, her feelings toward Mexico would always be ambivalent, but her Mexican experiences influenced all her subsequent works to some degree, even those pieces not specifically Mexican in setting. Walsh's study, then, is an essential key for anyone seeking greater understanding of the life or works of Katherine Anne Porter.

Order, Form and Statement in Katherine Anne Porter's *Ship of Fools*

Ship of Fools

Katherine Anne Porter

A Sense of the Times *University of Virginia Press*

Katherine Anne Porter's life (1890-1980) closely paralleled that of her century, not only in its span but in its interests and contradictions. She was a Communist sympathiser who later became quasi-fascist, a cosmopolitan who embraced Southern agrarianism, a femme fatale and a feminist.

Katherine Anne Porter's Ship of Fools

A Study in Irony and the Ironic Mode

The Hair of Harold Roux

A Novel *Bloomsbury Publishing USA*

In 1975 the National Book Award Fiction Prize was awarded to two writers: Robert Stone and Thomas Williams. Yet only Stone's *Dog Soldiers* is still remembered today. That oversight is startling when considering the literary impact of *The Hair of Harold Roux*. A dazzlingly crafted novel-within-a-novel hailed as a masterpiece, it deserves a new generation of readers. In *The Hair of Harold Roux*, we are introduced to Aaron Benham: college professor, writer, husband, and father. Aaron-when he can focus-is at work on a novel, *The Hair of Harold Roux*, a thinly disguised autobiographical account of his college days. In Aaron's novel, his alter ego,

Allard Benson, courts a young woman, despite the efforts of his rival, the earnest and balding Harold Roux-a GI recently returned from World War II with an unfortunate hairpiece. What unfolds through Aaron's mind, his past and present, and his nested narratives is a fascinating exploration of sex and friendship, responsibility and regret, youth and middle age, and the essential fictions that see us through. "Williams's novel is terrific: it is sweet, funny and sexy ... Williams is an accomplished magician."-Newsweek "Everywhere the language flows from the purest vernacular to the elevations demanded by distilled perception. Our largest sympathies are roused, tormented and consoled."-Washington Post Book World "A wonderfully old-fashioned writer ...

that dinosaur among contemporary writers of fiction, an actual storyteller."- John Irving

A Study Guide for Katherine Anne Porter's *Ship of Fools*

A Study Guide for Katherine Anne Porter's "Ship of Fools," excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust *Novels for Students* for all of your research needs.

A Comparison with Earlier Works by Katherine Anne Porter

The Bookseller

Flowering Judas and Other Stories

Katherine Anne Porter

The Life of an Artist *Taylor & Francis US*

In this biography of American writer Katherine Anne Porter, the author brings to light new information concerning the scant facts that Porter herself revealed about her background, drawing on archival and personal papers to offer an intimate study of the author's turbulent personal life.

Truth and Vision in Katherine Anne Porter's Fiction *University of Georgia Press*

My stories are fragments of a larger plan, Katherine Anne Porter once wrote. And on another occasion she praised a critic who perceived that all her work, from the very beginning, was part of an "unbroken progression, all related." In *Truth and Vision in Katherine Anne Porter's Fiction*, Darlene Unrue examines the encompassing themes that underlie Porter's shorter fiction and that combined to create the haunting events of her complex metaphorical novel, *Ship of Fools*. Porter believed that men and women are compelled toward discovering the truth about their existence, but that the nature of our world makes those truths difficult to

discern. In her writing, Unrue finds, Porter explored not only this basic human need to confront the truth, but also the bewilderment and suffering that are so often the results of failing to fulfill that need. Often in Porter's fiction the movement toward truth is obstructed by the hollow beliefs and illusions that abound in the world--by the seductions of ideology and dogmatic religion, by romantic love or the vision of a golden past. Clinging to such illusions, using them to lend a false coherence to their lives, Porter's characters are led away from the hard realization that truth requires accepting the existence of the unknowable at the center of life, and that what is knowable lies within themselves. Drawing on essays, reviews, letters, and notes, as well as on the

intricate fabric of the fiction, this study traces Porter's pursuit of the truth through the creation of a body of fiction in which, from fragments of life, she could assemble an honest vision of the world.

CLASSICS Ship of Fools

The Ship of Fools *Courier Corporation*
Definitive English language edition of influential (1494) allegorical classic. Sweeping satire of the weaknesses, vices, and grotesqueries of the day.

Includes 114 royalty-free illustrations. Brant biography, and more.

The Cracked Looking-Glass *Penguin Classics*

She only wished to prove to herself she was once more on a train going somewhere' A tender story of devotion, resentment and ennui from the Pulitzer Prize-winning writer.

Do Not Become Alarmed

A Novel *Penguin*

The moving and suspenseful new novel that Ann Patchett calls "smart and thrilling and impossible to put down... the book that every reader longs for." "This summer's undoubtable smash hit... an addictive, heart-palpitating story."

—Marie Claire The sun is shining, the sea is blue, the children have disappeared. When Liv and Nora decide to take their husbands and children on a holiday cruise, everyone is thrilled. The adults are lulled by the ship's comfort and ease. The four children—ages six to eleven—love the nonstop buffet and their newfound independence. But when they all go ashore for an adventure in Central America, a series of minor misfortunes and miscalculations leads the families farther from the safety of the ship. One minute the children are there, and the next they're gone. The disintegration of the world the families knew—told from the perspectives of both the adults and the children—is both riveting and revealing. The parents, accustomed to security and control, turn

on each other and blame themselves, while the seemingly helpless children discover resources they never knew they possessed. *Do Not Become Alarmed* is a story about the protective force of innocence and the limits of parental power, and an insightful look at privileged illusions of safety. Celebrated for her spare and moving fiction, Maile Meloy has written a gripping novel about how quickly what we count on can fall away, and the way a crisis shifts our perceptions of what matters most.

The significance of point of view in Katherine Anne Porter's *Ship of fools*

Dinner in Camelot

The Night America's Greatest Scientists, Writers, and Scholars Partied at the Kennedy White House

University Press of New England

In April 1962, President and Mrs. John F. Kennedy hosted forty-nine Nobel Prize winners—along with many other prominent scientists, artists, and writers—at a famed White House dinner. Among the guests were J. Robert Oppenheimer, who was officially welcomed back to Washington after a stint in the political wilderness; Linus Pauling, who had picketed the White House that very afternoon; William and Rose Styron, who began a fifty-year friendship with the Kennedy family that night; James Baldwin, who would later discuss civil rights with Attorney General Robert Kennedy; Mary Welsh

Hemingway, Ernest Hemingway's widow, who sat next to the president and grilled him on Cuba policy; John Glenn, who had recently orbited the earth aboard Friendship 7; historian Arthur M. Schlesinger, Jr., who argued with Ava Pauling at dinner; and many others. Actor Frederic March gave a public recitation after the meal, including some unpublished work of Hemingway's that later became part of *Islands in the Stream*. Held at the height of the Cold War, the dinner symbolizes a time when intellectuals were esteemed, divergent viewpoints could be respectfully discussed at the highest level, and the great minds of an age might all dine together in the rarefied glamour of "the people's house."

Ship of Fools Ace

After centuries of wandering through the galaxy in search of other life, the crew of the starship Argonos, the home to generations of humans, is lured by an unidentified transmission to a nearby planet, where they come face to face with a brutal tragedy and a haunting

alien mystery. Original.
