It reads quickly and its chapters possess the steady flow of thoughts that a good

lecturer should present his audience.

that drives the situation toward stability--that is, toward a situation where love, power and justice are in balance. In life, the attempt to achieve this balance is dynamic, ever-changing, shifting--sometimes creating a worsening situation, sometimes one that's improving. A Hitler may gain immense power (divorced from justice) in the short-term. Eventually, forces of resistance ...
