Jeep Liberty Repair

& Service Manuals (82 PDF's

When Jeep introduced the Liberty model in 2002, it was the perfect mix of a Wrangler's spirit and a Grand Cherokee's luxury. The Liberty's compact SUV design made it perfect for daily driving through suburban and metropolitan areas, but it also featured engine options and suspension kits to handle rougher roads - or no roads at all. It says something about Jeep quality that a lot of those Liberty models are still on the road, running just fine.
