habits and economies will save the
oceans.

Quotes from Sea Change: A Mes... "I can
still feel that leap of enthusiasm, and
real joy, at the prospect of finally getting
out to the beach, and running around.
But probably the most important thing,

and the power of it, was the kind of
creatures that you could see along the
beach, that you can't find anywhere
else."

SEA CHANGE | meaning in the Cambridge English Dictionary

In Shakespeare's The Tempest, a sea-change is a change brought about by sea: Full fathom five thy father lies ... / Nothing of him that doth fade / But doth suffer a sea-change. This meaning is the original one, but it's now archaic.
