The Little Prince Wordsworth Childrens Classics

The Little Prince seems to have been marketed to adults and children alike right from the start. At a time when there was no crossover fiction, it set its own readership. There were perhaps precedents in fables and fairy tales; but this was a fable for the 20 th century. On the one hand, children could both identify with the small being at the tale’s heart, and marvel at a world of fantasy far removed from any quotidian reality.
