Teaching Models Designing Instruction For 21st Century ...

Instructional designers tend to design instruction using the same sort of design cycle that I (Zach) have my students use in their PYP Design classroom, the most common perhaps being the ADDIE model (see image) or variations of it. Many K-12 teachers are unaware of this emerging profession, as typically the instruction that we see in schools is designed by developers at educational publishing companies, or by

schools' curriculum
coordinators and

classroom teachers
themselves.
