Error Analysis, Interlanguage and Second Language Acquisition - Volume 8 Issue 4 - S. P. Corder

Error Analysis, Interlanguage and Second Language ...

Errors are an integral part of language learning. The learner of English as a second language is unaware of the existence of the particular system or rule in English language. The learner's errors have long been interested for second and foreign language researchers. The basic task of error analysis is to describe how learning occurs by examining the learner's output and this includes his/her correct and incorrect utterances.

Interlanguage Definition and Examples - ThoughtCo

Error analysis (EA) was an alternative to contrastive analysis, an approach influenced by behaviorism through which applied linguists sought to use the formal distinctions between the learners' first and second languages to predict errors. Error analysis showed that contrastive analysis was unable to predict a great majority of errors, although its more valuable aspects have been incorporated into the study of language transfer.

Error analysis (linguistics) - Wikipedia

An interlanguage is an idiolect that has been developed by a learner of a second language which preserves some features of their first language, and can also overgeneralize some L2 writing and speaking rules. These two characteristics of an interlanguage result in the system's unique linguistic organization. An interlanguage is idiosyncratically based on the learners' experiences with the L2. It can "fossilize", or cease developing, in any of its developmental stages. The interlanguage rules are
