The Evolution of Storytelling - Reporter

The Evolution of Storytelling. Our topic this week is the evolution of storytelling, which brings to mind two different questions. One is about whether storytelling is an adaptation involved in the evolution of the human species. The other is about how storytelling is changing and evolving with human culture and technology.

The Evolution of Storytelling | Philosophy Talk

Storytelling is universal and is as ancient as humankind. Before there was writing, there was storytelling. It occurs in every culture and from every age. It exists (and existed) to entertain, to inform, and to promulgate cultural traditions and values. Oral storytelling is telling a story through voice and gestures.
