Erotic art in Pompeii and Herculaneum has been both exhibited as art and censored as pornography. The Roman cities around the bay of Naples were destroyed by the eruption of Mount Vesuvius in 79 AD, thereby preserving their buildings and artefacts until extensive archaeological excavations began in the 18th century. These digs revealed the cities to be rich in erotic artefacts such as statues, frescoes, and household items decorated with sexual themes. The ubiquity of such imagery and items indi

Erotic photography is a style of art photography of an erotic, sexually suggestive or sexually provocative nature. After the 1960s, erotic photography began to be less commonly referred to as such, and to be increasingly described as glamour photography. Erotic photography generally produces a composed image of a subject in a still position. Though the subjects of erotic photography are usually completely or mostly unclothed, that is not a requirement. Erotic photography is often distinguished f
