Immanent Transcendence Reconfiguring Materialism In

Although transcendence has roots in ancient philosophy, by reconfiguring

materialism it comes alive in Haynes's new readings of these difficult thinkers of twentieth-century philosophy. While challenging the other-worldliness of traditional theism, Haynes does not give up on what is best in the tradition: divine transcendence in immanence.

**Immanent Transcendence:
Reconfiguring Materialism in ...**

Over the last twenty years materialist thinkers in the continental tradition have increasingly emphasized the category of immanence. Yet the turn to immanence has not meant the wholesale rejection of the concept of transcendence, but rather its reconfiguration in immanent or materialist terms: an immanent transcendence.

**Immanent Transcendence:
Reconfiguring Materialism in ...**

Indeed, it is maintained that in seeking to ensure the self-determination of immanence, philosophies of immanence unwittingly end up jeopardising material integrity. Haynes suggests that it may be only by appealing to divine transcendence that material immanence can be given in its fullness, thereby pointing the way towards a theological materialism.

Immanent Transcendence Reconfiguring Materialism In ...

However, she argues that contrary to what some might expect, immanent accounts of matter and transcendence are ultimately unable to do justice to material finitude. Indeed, Haynes concludes by suggesting that a theistic

understanding of divine transcendence offers ways to affirm fully material immanence, thus pointing towards the idea of a theological materialism.
