Toward an Exegetical Theology: Biblical Exegesis for ...

In Toward an Exegetical Theology Walter Kaiser proposes a method of interpretation and exegesis which bridges the gap between the study of the biblical text and the actual delivery of that study to a congregation. Arguing that the biblical texts must serve as the foundation for all teaching and preaching, Kaiser develops what he calls the Syntactical-Theological method, which aims to link the original meaning of a text (the meaning intended by its author) to its contemporary significance.

Toward an Exegetical Theology has proved to be a landmark text in the fields of exegesis and exposition. Kaiser endeavors to fill the gap between these two disciplines. Seminaries do a great job at teaching men to exegete the biblical text and thus are given the tools to examine the nature of the original language.

Toward an Exegetical Theology: Biblical Exegesis for ...

Theological analysis involves the use of biblical theology in a distinctive diachronic pattern where the accumulating theology is studied and grouped according to each period in which it occurs. Thus the exegete brings to bear on the text an "informing theology," or an analogy of antecedent Scripture.
