Lifelong learning in later life is an essential handbook for a wide range of people who work alongside older adults in varied contexts. While no single book can make claim to comprehensiveness, this

interdisciplin—ary publication builds on important earlier work in lifelong learning and social gerontology, presenting a full range of perspectives on what it means to be an older learner in contemporary societies.

Lifelong Learning in Later Life: A Handbook on Older Adult ...
Lifelong learning is important because it helps us to develop as humans. While many theorists once believed that human development peaks at age 20-25, we increasingly understand the importance of learning to help us develop into our old age. We might call learning in older ages the 'getting of wisdom'.
