In Where Am I Eating?, Timmerman explores the global food economy and the issues surrounding it including workers' and human rights, rural poverty, the loss of cultural and bio-

diversity, climate change, and fair trade through the lives of the workers he met along the way. Timmerman argues neither for nor against the globalization of food, but personalizes the issue by observing the hope and opportunity, and the lack of both, which the global food economy gives to the world's poorest producers.
