The Official Home Page of the United States Army

The Army of the United States is one of the four major service components of the United States Army, but it has been inactive since the suspension of the draft in 1973 and the U.S. military's transition to a volunteer force. Personnel serving in the United States Army during a major national emergency or armed conflict were enlisted into the Army of the United States, without specifying service in a component. The term "Army of the United States" or "Armies of the United States" is also the legal

The Army of the United States was considered a successor to the National

Army, which had been founded to fight in World War I and had been disbanded in 1920. The first officers of the Army of the United States were appointed from the ranks of the Regular Army. The standard practice for such officers was to hold a "permanent rank" within the Regular Army while holding a "temporary rank" for service in the Army of the United States.

Army of the United States | Military Wiki | Fandom

In 1914 the United States Army comprised 98,000 men, of whom some 45,000 were stationed overseas. The regular army was backed up by the 27,000 troops in the National Guard. In December 1914 General Leonard Wood helped to form the National Security League and began arguing for conscription as a means of increasing the size of the US Army.
