India

KITCO Fiber Optics was established to provide the tools needed for testing and terminating optical fiber. We created kits (hence the KITCO name) that included everything necessary for proper termination. Through the years, our expertise in Navy, Ground Tactical, and Aerospace harsh environment connectivity applications has grown.

Products - KITCO Fiber Optics

KITCO Fiber Optics is a full service company supporting military and commercial organizations that utilize fiber optic communications systems. We fabricate custom cable assemblies and provide custom-designed toolkits for the termination, testing, and troubleshooting of fiber optic systems. Because the demand for training was high, we began to develop training classes for Navy personnel.
