The New Typography Jan Tschichold

Tschichold's New Typography. Jan Tschichold (1903-1972) By the later 1920's avant garde typography was making inroads into more mainstream commercial design much through the efforts of designer Jan Tschichold. Unlike the avant garde artists of his era, Tschichold was a traditionally trained calligrapher and typographer and had formally studied book design at the Leipzig Academy.

Tschichold's New Typography - Design History

This book also charts the development of the New Typography, a broad-based movement across Central Europe that included "The Ring," a group formed by Schwitters in 1927. Tschichold played a crucial role in defining this movement, documenting the theory and practice in his most influential book, *The New Typography* (1928), still regarded as a seminal text of graphic design.

Jan Tschichold and the New Typography | Yale University Press

"Considered the modernist era's definitive treatise on typographic design, it [*The New Typography*] offers not only an overview of the principles of commercial and book design but

also a historical—and far from ideologically neutral—discussion of "old" (1450-1914) and "new" (since 1914) typography. The book's exceptional fame is due to its own typographic achievement, as well as to its commitment to the politics of modern typography, defined as both the mirror and the condition of a ...
