Japanese household gender culture shows little of the progress toward equality seen in other industrialized nations and this is contributing to delayed family formation and low birth rates. This study of dual-income Japanese families with young children found a degree of increased mutuality in family work being negotiated.

Domestic abuse presents a deadly threat to millions of people across America, in part thanks to the nation's glut of guns, and it's often invoked to make the case for policing and prisons.

A Reckoning Inside the Domestic-Violence Movement | The Nation

Much of the work on negotiations of diasporic identities have focused on "race," "ethnic," "cultural," or "national" identities Nonini & Ong 1997, van der Veer 1995 but there is also now increasing recognition that narratives of diaspora (as with earlier accounts of international migration hinged on structuralist frameworks) need to avoid gender-blindness and instead pay heed to the fact that the diasporic experiences of men and women are different and are shaped by gender ...
