(PDF) Zygmunt Bauman. Individual and society in the liquid ...

In modern society, it is generally believed that the rights of the individual triumph over the community, but the individual is not entirely free from the group. A person becomes part of the whole, willingly or unwillingly, by giving up some freedoms to attain safety and foster social bonds. For example, an individual must obey laws and social norms to be accepted by the community.

What Is the Role of the Individual in Society?

We are spurred into action by our troubles and fears; but all too often our action fails to address the true causes of our worries. When trying to make

sense of our lives, we tend to blame our own failings and weaknesses for our discomforts and defeats. And in doing so, we make things worse rather t...

The Individualized Society on Apple Books

All persons in a society should have as much basic liberty (rights and duties) as possible, provided that everyone has equal (the same) liberties. This principle is known as the Liberty Principle. For Rawls, basic liberty includes freedoms of conscience, association and expression, as well as democratic rights.

6.1 The Individual and Society | Introduction to Philosophy

The relation between individual and society is very close. Essentially, “society” is the regularities, customs and ground rules of antihuman behavior. These practices are tremendously important to know how humans act and interact with each other. Society does not exist independently without individual.
