The basic rule, set out in Schedule 1 of the British Nationality Act 1981, is that the applicant must not have been outside the UK for more than 270 days in total over the three-year period for spouses or 450 days over the five-year period for non spouses, including no more than 90 days in the final year in both cases.

The pathway to British citizenship for European nationals

... As part of the naturalization process, applicants for U.S. citizenship must pass a two-part naturalization test. The first component is an English test that assesses the applicant's ability to read, write, and speak in the language. The second, a civics test, evaluates the applicant's knowledge of U.S. history and government.
