Europe reborn: a history, 1914-2000. After the catastrophe of dictatorship and World War, the idea of liberal democracy, of property rights, and of Europe in the broader international order all needed to be remade. In Europe Reborn, Harold James offers a sweeping survey of twentieth-century Europe, from crisis to convergence, and the recreation of an international society, culture and economy.

The section on his specialist filed (interwar financial history) is, predictably, excellent. The part on the 1960s is less satisfactory (perhaps for generational proximity). Unlike other, more ambitious or pretentious overviews of European histories of Europe, it is a manageable and readable textbook. I am sure a better textbook could be produced.
