Although department chairs are responsible for much of the academic decision making in colleges and universities, the chair's influential role in diversity transformation has been largely overlooked. However, with institutional support, the academic department chair has the potential to be the engine of diversity change in higher education.

inclusion cultivates excellence

Recent publications include Leading a Diversity Culture Shift in Higher Education (Routledge, 2018) that draws on extensive interviews with chief diversity officers and university leaders to provide a systematic approach to diversity organizational learning and The Department Chair as

Transformative Leader (Stylus, 2015), the first research-based resource on the academic department chair's role in diversity transformation.
