Erica shares her personal and professional stories on how she overcame mental health issues (like suicidal thoughts, depression, and anxiety), peer pressure, and bullying by awakening her inner superhero. This workbook provides stories, formulas, activities, and challenges to share with others on how to awaken their inner superhero to save the day, to overcome life challenges, and to achieve life dreams!

Self-Portrait *New York Review of Books*

A rich, penetrating memoir about the author's relationship with a flawed but influential figure—the painter Lucian Freud—and the satisfactions and struggles of a life lived through art. One of Britain's most important contemporary painters, Celia Paul has written a reflective, intimate memoir of her life as an artist. *Self-Portrait* tells the artist's story in her own words, drawn from early journal entries as well as memory, of her childhood in India and her days as a art student at London's Slade School of Fine Art; of her intense decades-long relationship with the older esteemed painter Lucian Freud and the birth of their son; of the challenges of motherhood, the unresolvable conflict between caring for a child and remaining

committed to art; of the "invisible skeins between people," the profound familial connections Paul communicates through her paintings of her mother and sisters; and finally, of the mystical presence in her own solitary vision of the world around her. *Self-Portrait* is a powerful, liberating evocation of a life and of a life-long dedication to art.

Fahrenheit 451**A Novel** *Simon and Schuster*

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

A Doll's House *BoD - Books on Demand*

Reproduction of the original: A Doll's House by Henrik Ibsen

Sissy

A Coming-of-Gender Story *Penguin*

THE NATIONAL BESTSELLER
 "Transformative ... If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling, Sissy succeeds." --The New York Times Book Review (A Paperback Row Pick) A heart-wrenching, eye-opening, and giggle-inducing memoir about what it's like to grow up not sure if you're (a) a boy, (b) a girl, (c) something in between, or (d) all of the above. "A beautiful book . . . honest and funny."--Trevor Noah, The Daily Show "Sensational."--Tyler Oakley "Jacob Tobia is a force." --Good Morning

America "A trans Nora Ephron . . . both honest and didactic." --OUT Magazine "A rallying cry for anyone who's ever felt like they don't belong." --Woman's Day As a young child in North Carolina, Jacob Tobia wasn't the wrong gender, they just had too much of the stuff. Barbies? Yes. Playing with bugs? Absolutely. Getting muddy? Please. Princess dresses? You betcha. Jacob wanted it all, but because they were "a boy," they were told they could only have the masculine half. Acting feminine labelled them "a sissy" and brought social isolation. It took Jacob years to discover that being "a sissy" isn't something to be ashamed of. It's a source of pride. Following Jacob through bullying and beauty contests, from Duke University to the United Nations to the podiums of the Methodist church--not to

mention the parlors of the White House--this unforgettable memoir contains multitudes. A deeply personal story of trauma and healing, a powerful reflection on gender and self-acceptance, and a hilarious guidebook for wearing tacky clip-on earrings in today's world, *Sissy* guarantees you'll never think about gender--both other people's and your own--the same way again.

The Man Who Mistook His Wife for a Hat

And Other Clinical Tales *Vintage*

In his most extraordinary book, the bestselling author of *Awakenings* and "poet laureate of medicine" (*The New York Times*) recounts the case histories

of patients inhabiting the compelling world of neurological disorders, from those who are no longer able to recognize common objects to those who gain extraordinary new skills. Featuring a new preface, Oliver Sacks's *The Man Who Mistook His Wife for a Hat* tells the stories of individuals afflicted with perceptual and intellectual disorders: patients who have lost their memories and with them the greater part of their pasts; who are no longer able to recognize people and common objects; whose limbs seem alien to them; who lack some skills yet are gifted with uncanny artistic or mathematical talents. In Dr. Sacks's splendid and sympathetic telling, his patients are deeply human and his tales are studies of struggles against incredible adversity. A great

healer, Sacks never loses sight of medicine's ultimate responsibility: "the suffering, afflicted, fighting human subject."

I Kissed Dating Goodbye *Multnomah Pub*

Dating. Isn't there a better way? Reorder your romantic life in the light of God's word and find more fulfillment than the dating game could ever give - a life of purposeful singleness.

I Am My Own Home and Other Essays

I Am

My Own Self-Validation

I Am: My Own Self-Validation is a book of

inspiration by Starla Lewis, Ishe and Yah Yah. This book is a tangible tool to help people see, heal, reveal and be their authentic self. I Am offers woman's wisdom through three generations of women within the same family. Through insightful affirmations each author brings their unique perspective on what it means to love, value and respect women.

I'm My Own Dog *Candlewick Press (MA)*

A dog without a human companion fetches his own slippers and curls up at his own feet but cannot reach a certain itchy spot in the middle of his back, compelling him to leash a poor lonely human who will loyally offer a helpful scratch.

Odyssey

I Am My Own Dad

Dads *Createspace Independent Publishing Platform*

This is a combined book of my work. "I am My Own Dad" lit a fire in my mind and I was inspired to share more of my story and my simple approach to a solution for our declining families. The book "Unloved", takes a look at my childhood and my observation of the children today and some of things we as community need to make changes in the hearts of our young people. The next short book is "When You Wake Up", it shares my painful realization of bad decision making and how I crawled out the hole I had created in my personal

life.

Enchiridion *Courier Corporation*

A first-century Stoic, Epictetus argued that we will always be happy if we learn to desire that things should be exactly as they are. His Enchiridion distills his teachings to illuminate a way to a tranquil life.

Reading Claudius

A Memoir in Two Parts *Dial Press*

A stunning elegy to a vanished time, Caroline Heller's memoir traces the lives of her parents, her uncle, and their circle of intellectuals and dreamers from Central Europe on the eve of World War II to present-day America. In this unforgettable dual memoir of her

parents' lives and her own, Caroline Heller brings to life the lost world of European café culture, and reminds us of the sustaining power of literature in the most challenging of times. Heller vividly evokes prewar Prague, where her parents lived, loved, and studied. Her mother, Liese Florsheim, was a young German refugee initially drawn to Erich Heller, a bright but detached intellectual, rather than to his brother, Paul. As Hitler's power spreads and World War II becomes inevitable, their world is destroyed and they must flee the country and continent. Paul, who will eventually become the author's father, is trapped and sent to Buchenwald, where he survives under hellish conditions. Though Paul's life nearly ends in Europe, he reunites with Liese in the United

States, where they marry. Their daughter Caroline, restless and insecure, carries the trauma of her parents' story with her, but her quest to make peace with her heritage is eased by her love of books and writers, part of her family legacy. Through the darkest years of Hitler's rule, Caroline's parents and uncle had turned time and time again to literature to help them survive—and so she does as well. Written with sensitivity and grace, *Reading Claudius* is a profound meditation on the ways we strive to solve the mysteries of our pasts, and a window into understanding the ones we love. Praise for *Reading Claudius* "This fine book contains moments of emotion so pure that in the end, we too fall in love with the writer's past."—The New York Times Book

Review “Heller plunges us lovingly and convincingly into [a] lost world.”—The Boston Globe “Caroline Heller writes with both honesty and delicacy. I was particularly enthralled by her finely drawn portrait of prewar Central Europe: a lost world whose memories are inestimably valuable and fiercely beautiful but which, without accounts like this, would fade forever.”—Anne Fadiman, author of *The Spirit Catches You and You Fall Down* “Reading Claudius is much more than a work of riveting personal history. It is a feat of passionate, radical integrity. Caroline Heller has wedded the greatest level of care in her scholarship to an even deeper form of search: that in which imagination becomes not only an act of love but an instrument of truth.”—Leah

Hager Cohen, author of *No Book but the World and The Grief of Others* “A deeply felt and deeply thought memoir, it manages to unearth a whole lost world with aching tenderness and regret.”—Phillip Lopate, author of *Portrait Inside My Head* From the Hardcover edition.

I Am My Own Sanctuary

How A Recovering Holy-Roller Found Healing and Power

Meggie was a weird teenager. We're talkin' so weird that her parents worried about her being too religious. After a divine nudge to preach at the age of thirteen, she answered the call to full-time ministry as a sixteen-year-old. She became a paid church staff member a

year later, and from 18-32, served in the same church. While creating sacred space for others, Meggie forgot to nurture her own. In the rush of ministerial leadership, she allowed many limiting beliefs to hold her back. She searched for validation from others but failed to look within and find that she was already enough. These pages tell her satirical, yet "holy," tale of discovering that because the Divine dwells within, she already possesses enough grace for every wound and enough grit for every goal. She now offers this gift to you, to encourage you toward the same end. You, yes, all of you, are your own sanctuary. Part memoir, part self-help book, and part spiritual devotional, Meggie will make you laugh, disrupt your thought-

patterns, and above all else, empower you to become that which you were meant to be--a sanctuary to you. (If you want to know what that means, ya gotta read the book!)

NIV, Value Outreach Bible, Paperback

This NIV Value Outreach Bible is a low-cost softcover Bible perfect for churches and ministries buying in bulk to present to first-time Bible readers.

In Love

A Memoir of Love and Loss *Random House*

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to

part—and a woman’s struggle to go forward in the face of loss—that “enriches the reader’s life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, BookPage Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer

ignore: Brian had Alzheimer’s disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom’s captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love.

White Fragility

Why It's So Hard for White People to Talk About Racism *Beacon Press*

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this “vital, necessary, and beautiful book” (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and “allows us to understand racism as a practice not restricted to ‘bad people’ (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt,

and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

The Blue Book of Grammar and Punctuation

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes *John Wiley & Sons*

My Saucy Wife and Me

A Christopher Coleman Novel
Createspace Independent Publishing Platform

When deal-making seasoned American turned British banker Christopher Coleman agrees to an open marriage with Lindsay Mitchell, a stunningly beautiful early forties member of morally

troubled twenty-first century London society, he is ill-prepared to cope with the jealousies and often alternative sexual pleasures that inevitably envelope their fast moving transatlantic life. Leading a life of luxury in London, England and on the stunningly beautiful islands of Florida's Gulf Coast Keys, Christopher and Lindsay fall into each others arms after years of changing sexual partners, failed relationships and a near fatal divorce and form an enormously successful business and personal partnership challenged only by the men and women and financial deals that seem to flock to them like bees to honey. The story begins when their twenty-first century open marriage is at its sexual pinnacle and filled with lonely, sexually starved wives and prowling

lustly husbands. It then goes back in time to their youthful sexual adventures and misadventures to return to the sex and deal filled life they lead today. The novel ends in the deal and sexual experience of a lifetime involving youthful and current sexual partners and most importantly a man who nearly causes their marriage to collapse, the Oxford University educated Robert Foot who is Client Rouge and Chief Running Horse of the resource rich North American Indian tribe, the Redfoot Nation.

No Longer Human *New Directions Publishing*

A young man describes his torment as he struggles to reconcile the diverse influences of Western culture and the traditions of his own Japanese heritage

The Los Angeles Diaries *Harper Collins*

Plagued by the suicides of both his siblings, heir to alcohol and drug abuse, divorce, and economic ruin, novelist James Brown lived a life clouded by addiction, broken promises, and despair. Beautifully written and limned with dark humor, these twelve deeply confessional, interconnected chapters address personal failure, heartbreak, the trials of writing for Hollywood, and the life-shattering events that finally convinced Brown he must change or die.

I Am My Own Dad

When You Love Your Children So Much *Createspace Independent Publishing Platform*

I want to share why I felt it was necessary to be my own dad. As human beings, we are blessed to have the ability to generate change and ways to improve our lives, circumstances, and situations. All we have to do is tap into our ability to adapt and overcome. When a young man has no dad, there are no guidelines nor a base to mold himself. Quite often they are forced to "wing it" and go through a lot of trials and tribulations that sometimes can yield lifelong scars. These scars can descend to their children and their children's children. In this reading, I will take you on a journey through the eyes and ears of a boy who had no dad and no choice. It is not my goal to bash the moms out there but to give an insight of what a boy with missing pieces goes through emotionally

to survive and be a great dad to his seed. If you have a young man that does not have a role model, granddad, uncle, or a neighborhood dad who is not afraid to share his dad's skills, please connect him with one.

Hands on a Hardbody *Samuel French, Incorporated*

Nominee! 2013 Outer Critics Circle Award, Outstanding New Broadway Musical Nominee! 2013 Outer Critics Circle Award, Outstanding New Score Nominee! 2013 Drama Desk Award, Outstanding Musical Nominee! 2013 Drama Desk Award, Outstanding Music Nominee! 2013 Drama Desk Award, Outstanding Lyrics Nominee! 2013 Drama Desk Award, Outstanding Book of a Musical Nominee! 3 Tony Awards,

including Best Original Score, 2013 For 10 hard-luck Texans, a new lease on life is so close they can touch it. Under a scorching sun for days on end, armed with nothing but hope, humor and ambition, they'll fight to keep at least one hand on a brand-new truck in order to win it. In the hilarious, hard-fought contest that is "Hands on a Hardbody" only one winner can drive away with the American Dream. Inspired by the true events of the acclaimed 1997 documentary of the same name by S.R. Bindler, produced by Kevin Morris and Bindler.

Chasing Bliss

A Layman's Guide to Love, Fulfillment, Damage Control, Repair

and Resurrection *Storyfix.com*

Marriage is hard. Living together in a committed, non-traditional relationship is just as hard, maybe more so. A less than completely satisfying level of happiness and fulfillment within a primary relationship is perhaps the most common human dysfunction in the modern world. So much so that we have come to accept something less than complete bliss in our marriages, partnerships and domestic arrangements as the normal state of things, an expectation born of human imperfection and the pressing need for constant compromise. We have redefined it as something less than the word bliss actually implies. Coming even mildly close to bliss is considered a rousing success, but even then,

whatever sliver of unrest, anxiety and inconsistency remain can flare into a torrent of restlessness that could one day again render you single. In CHASING BLISS, Larry Brooks shows us a path toward bucking that trend through the channeling of our imperfection toward a perfectly functional awareness of how we might be contributing to the problem, while becoming coach and therapist when we're not. While repeatedly reminding the reader that some problems remain the province of professional counselors, CHASING BLISS holds up a mirror to the many ways time and apathy become toxic factors in reducing loving relationships to something less than how they began, with kindness, togetherness, sexual satisfaction and hope the price of

growing apart while growing weary of each other. The book is divided into three sections: ten reasons why men might cheat... ten reasons why women might leave the nest for a better life... and an exploration of eight primary realms of relationship, the mastery of which becomes a tool chest of strategies and solutions that not only mitigate decline, but serve to refuel the chemistry and hope that once brought you together. This goes beyond the theoretical with specific actionable responses and alternatives to some of the most common challenges couples face, while clarifying tough, indisputable truths about the roles we play in our own domestic tragedies. Even if we feel - all the way to divorce court - that it was the other person's fault. This, promises the

author, is the stuff your shrink will goad you into realizing for yourself, but without the weeks and months of therapy it could take to reach that point with clarity and purpose. It's all right here, in your face, unassailable and immediately useful in real life. In her Foreword to the book, Dr. Carrie Rubin says this: the beauty of this book is its power to be a tool for both relationship recovery and healthy relationship maintenance. For those in good shape, its advice will serve as a protective life vest, one that will keep you from sinking into troubled waters." Brooks knows from where he speaks, having been down the road to failure not once, but twice, and is now twenty years happily married to a woman that challenges him to be the best version of himself, with

immovable consequences if he is not. "On paper we shouldn't work," he writes, "but we are living in a state I can only describe as bliss, if bliss is defined as inclusive of the trials and challenges that are inevitable and ready to rip you apart. Now we are stronger than the problems life throws our way, not because we are better or smarter than couples who don't make it, but because we are vulnerable to these truths and committed to the principles of interaction and loving partnership that are necessary to make it to the other side." These truths are the heart and soul of CHASING BLISS, a book for people who want to make love work, but fear they aren't up to it. With these principles, you just might become the couple that gets there through an understanding that bliss is not a

destination or a finish line, but the road itself. Which, armed with empowered awareness and sensitivity, you can now actually pave with the good intentions that others blame.

Becoming Crown

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America, she helped create the most welcoming and inclusive White House in history. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private.

Invisible Child

Poverty, Survival & Hope in an American City (Pulitzer Prize Winner) *Random House*

PULITZER PRIZE WINNER • A “vivid and devastating” (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott “From its first indelible pages to its rich and startling conclusion, *Invisible Child* had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths.”—Ayad Akhtar, author of *Homeland Elegies* ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In *Invisible Child*, Pulitzer Prize winner Andrea Elliott follows eight

dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani’s childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City’s homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter “to protect those who I love.” When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A

work of luminous and riveting prose, Elliott's *Invisible Child* reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

A Room of One's Own *Renard Press Ltd*

In October 1928 Virginia Woolf was asked to deliver speeches at Newnham and Girton Colleges on the subject of 'Women and Fiction'; she spoke about her conviction that 'a woman must have money and a room of her own if she is to write fiction'. The following year, the two

speeches were published as *A Room of One's Own*, and became one of the foremost feminist texts. Knitted into a polished argument are several threads of great importance – women and learning, writing and poverty – which helped to establish much of feminist thought on the importance of education and money for women's independence. In the same breath, Woolf brushes aside critics and sends out a call for solidarity and independence – a call which sent ripples well into the next century. 'Brilliant interweaving of personal experience, imaginative musing and political clarity' — Kate Mosse, *The Guardian* 'Probably the most influential piece of non-fictional writing by a woman in this century.' — Hermione Lee, *The Financial Times*

The Selected Canterbury Tales: A New Verse Translation *W. W. Norton & Company*

"A truly remarkable achievement."
—Barry Unsworth In the tradition of Seamus Heaney's *Beowulf* and Marie Borroff's *Sir Gawain and the Green Knight*, Sheila Fisher's *The Selected Canterbury Tales* is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval

society.

I Am the Hero of My Own Life

The Tell-Tale Heart *Lindhardt og Ringhof*

Poe's preference for not naming his narrators is potent once again in "The Tell-Tale Heart", a story that is trying so hard to appear sane, but fails miserably in the end. With minute preparations, perfect calculations, and even more precise execution of the conceived gruesome act, the narrator successfully fulfils his purpose, only to be lost in a battle with his sanity and guilt afterwards. Backed by the numerous movie and theatrical adaptations, the story is considered one of Poe's most popular and critically acclaimed. Edgar

Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).

First Year of Marriage

The Newlywed's Guide to Building a Strong Foundation and Adjusting to Married Life, 2nd Edition *Our Peaceful Family*

How to adjust to married life, build a strong foundation, and survive your first

year of marriage. - EVEN if you don't know where to start. Do you feel overwhelmed and completely unprepared for marriage? Are you worried about failing in your marriage, second-guessing your decision to even get married, or considering a divorce? Do you want to have the best marriage you possibly can, but not sure where to start? You are not alone. It is easy to feel like you are the only newlywed struggling with married life; the frustrations, sadness, hopelessness, silent treatment, name calling, anxiety, disagreements, anger, disappointments, coping with new behavior discoveries, wondering if this is what marriage is supposed to be like, etc. We know how you feel because we experienced these struggles after getting married too. We

have also listened to great married couples share their first year of marriage struggles on our podcast, The First Year Marriage Show, and countless others. So, we understand the problems you are facing and want to help you have a better marriage. To be honest, the first year of marriage is the hardest year for most married couples. However, you can avoid the marriage problems newlyweds face every single day by reading this guide for newlyweds and engaged couples today. We strongly believe this book will change your marriage. Because the lessons come from our own first-hand experience and gleaned knowledge. We share our struggles and how we overcame adversity to build a strong foundation for the healthy, happy, and fulfilling marriage we have today. In

this First Year of Marriage book, you will learn: 1. How to transform your mindset from I into We. 2. How to build a safe environment for your marriage, so you can express your feelings and opinions without feeling judged. 3. Our simple and proven communication strategies have helped many couples to communicate better. 4. Get a better idea of what is at the root of the issues troubling your marriage, and how to fix them. 5. The glue that holds your marriage together and what we did after one of us changed our faith. 6. How to be independent and interdependent without losing your identity. 7. How to connect and grow together as a couple. 8. Why it is important to create a vision for your marriage, and the four steps we used to create a vision our marriage. 9.

Why your first year of marriage is critical to the success of your marriage. And much more. This is the book that we wished was out there when we first got married. If you are a newlywed, just got engaged, looking to remarry or improve your marriage, this indispensable guide is for you. Filled with ideas you can apply immediately to your marriage. Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people

avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be

professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Broken Road

A Widower's Journey *Createspace Independent Publishing Platform*

Once upon a time, I viewed the Air Force as my personal entertainment and dating service. I was a hard-charging, well-paid, impeccably-educated, high-functioning, award-winning anesthetist and clinical instructor of anesthesia as

well as an Air Force captain on my way to becoming a colonel in record time. Beyond that, I worked in a highly specialized area of the military, dabbling in the shadowy world behind the scenes in places some have never heard of, in situations that rarely make the nightly news. Known by important people, I was a guy who could "get 'er done" no matter what the order or mission at hand. On call twenty-four hours a day, I never knew when my next mission would be called. One moment in the operating room in San Antonio, the next on a plane bound for some unnamed location for reasons I wasn't privy to. Leaving my strict Baptist upbringing behind, I was living my dream of becoming a "hero," while fueling my ever burgeoning need for newness and more, sleeping my way

around the world with no rules and no conscience. One woman, my childhood image of the "girl next door," changed all that. We met in the back anesthesia hallway at Wilford Hall U.S. Air Force Medical Center. She, a mere first year anesthesiology resident. Me, a superstar staff nurse anesthetist. Despite her lowly position, she was clearly the kindest and sexiest woman I'd ever met. Within a month of our first date, I chose to forego my aspirations of military glory and "settle down." However, soon after Joan and I married, I felt trapped. Trapped by what I recognized as the mundane life of my parents. Trapped by Joan's desire to bear a child. Trapped to the point that I began fantasizing about her death. Then came the call. Twenty-five weeks into her pregnancy, Joan was diagnosed with

leukemia. In the blink of an eye, I was transformed from my own personal cynosure to the husband of the pregnant lady with cancer, caretaker, guardian of my wife and daughter's lives, and reluctant chief decision maker on how to reconcile my desperate desire for her to live with her disdain for life support measures. This story depicts not only the battle against cancer faced by Joan and our unborn child, but also my own attempt to move past earlier misdeeds, desperately praying for a miracle, hoping that, despite my sins, God would deign to save the woman and child I loved. Written from the perspective of a former military true believer who turned his back on dreams of glory, chose love, and became a (hesitant) husband, then single father, *Broken Road: A Widower* is

similar to Nadia Bolz-Weber's *Accidental Saints* and Anne Lamott's *Small Victories: Spotting Improbable Moments of Grace*. It seeks to find goodness in the most unlikely of places and characters - me.

The Bell Jar

A Novel *HarperCollins*

A realistic and emotional look at a woman battling mental illness and societal pressures written by iconic American writer Sylvia Plath. "It is this perfectly wrought prose and the freshness of Plath's voice in *The Bell Jar* that make this book enduring in its appeal." — USA Today *The Bell Jar* chronicles the crack-up of Esther Greenwood: brilliant, beautiful,

enormously talented, and successful, but slowly going under—maybe for the last time. Sylvia Plath masterfully draws the reader into Esther’s breakdown with such intensity that Esther’s neurosis becomes completely real and even rational, as probable and accessible an experience as going to the movies. Such

deep penetration into the dark and harrowing corners of the psyche is an extraordinary accomplishment and has made *The Bell Jar* a haunting American classic. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.
