If Your Name Was Changed at Ellis Island

A celebration of the great immigration movement through Ellis Island introduces readers to the children and families who entered America through there, in a study presented in a question-and-answer format. Reprint.

If Your Name Was Changed at Ellis Island *Perfection Learning*

Learning

If You... series.

If Your Name Was Changed at Ellis Island *Turtleback*

Describes, in question and answer format, the great migration of immigrants to New York's Ellis Island, from the 1880s to 1914. Features quotes from children and adults who passed through the station.

If Your Name was Changed at Ellis Island

Names Were Changed to Protect the Innocent

True Stories of a Police Dispatcher

Xlibris Corporation

The stories you are

about to read are true, and all the names were changed to protect the innocent. These are true stories from a police dispatcher, stories about handcuffs and headboards, and some of the dumbest criminals, and how one police dispatcher made a transition from the old school way of doing things to the new, and after twenty-six years of experience, I share some of the most memorable stories. Joseph L. Swick

The Change Your Name Store *Simon and Schuster*

Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough. They want to be someone better. Many kids want to change

their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirtliffe (of IronieMom.com), and fun, simple illustrations by Tina Kügler, The

Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is

proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

100,000 + Baby Names

The Most Complete Baby Name Book

Simon and Schuster

An extensive baby name reference for expectant parents includes some five thousand Hispanic names, an updated list of the one hundred most popular names for boys and girls, and a chapter that shares author recommendations on how to make a name selection. Original.

All Names Have Been Changed

Faber & Faber

Set in the Dublin of the mid 1980s - gripped by a heroin epidemic and light years from the post EU economic boom of today - All Names Have Been Changed tells the story of a small group of mature students on a writing course at

Trinity, who become dangerously obsessed with their tutor, a notorious writer. Brilliantly exploring the shifting group dynamic, as events spiral ever further out of control, this is a novel of considerable verve and ambition. Following earlier forays into the worlds of art restoration and classical music, it is further evidence of a writer with a natural gift for narrative and atmosphere.

A Rosenberg by Any Other Name

A History of Jewish Name Changing in America

NYU Press
A groundbreaking history of the practice of Jewish name changing in the 20th century, showcasing just how much is in a

name Our thinking about Jewish name changing tends to focus on clichés: ambitious movie stars who adopted glamorous new names or insensitive Ellis Island officials who changed immigrants' names for them. But as Kirsten Fermaglich elegantly reveals, the real story is much more profound. Scratching below the surface, Fermaglich examines previously unexplored name change petitions to upend the clichés, revealing that in twentieth-century New York City, Jewish name changing was actually a broad-based and voluntary behavior: thousands of ordinary Jewish men, women, and children legally changed their names in order to respond to an upsurge of antisemitism. Rather than trying to escape their heritage or "pass" as non-Jewish, most name-changers remained active members of the Jewish community. While name changing allowed Jewish families to avoid antisemitism and achieve white middle-class status, the practice also created pain within families and became a stigmatized, forgotten aspect of American Jewish culture. This first history of name changing in the United States offers a previously unexplored window into American Jewish life throughout the twentieth century. A Rosenberg by Any Other Name demonstrates how historical debates about immigration,

antisemitism and race, class mobility, gender and family, the boundaries of the Jewish community, and the power of government are reshaped when name changing becomes part of the conversation. Mining court documents, oral histories, archival records, and contemporary literature, Fermaglich argues convincingly that name changing had a lasting impact on American Jewish culture. Ordinary Jews were forced to consider changing their names as they saw their friends, family, classmates, co-workers, and neighbors do so. Jewish communal leaders and civil rights activists needed to consider name changers as part

of the Jewish community, making name changing a pivotal part of early civil rights legislation. And Jewish artists created critical portraits of name changers that lasted for decades in American Jewish culture. This book ends with the disturbing realization that the prosperity Jews found by changing their names is not as accessible for the Chinese, Latino, and Muslim immigrants who wish to exercise that right today.

The Name Jar *Knopf Books for Young Readers*

A heartwarming story about the new girl in school, and how she learns to appreciate her Korean name. Being the new kid in

school is hard enough, but what happens when nobody can pronounce your name? Having just moved from Korea, Unhei is anxious about fitting in. So instead of introducing herself on the first day of school, she decides to choose an American name from a glass jar. But while Unhei thinks of being a Suzy, Laura, or Amanda, nothing feels right. With the help of a new friend, Unhei will learn that the best name is her own. From acclaimed creator Yangsook Choi comes the bestselling classic about finding the courage to be yourself and being proud of your background.

Rethinking Bilingual Education

Welcoming Home Languages in Our Classrooms

In this collection of articles, teachers bring students' home languages into their classrooms—from powerful bilingual social justice curriculum to strategies for honoring students' languages in schools that do not have bilingual programs. Bilingual educators and advocates share how they work to keep equity at the center and build solidarity between diverse communities. Teachers and students speak to the tragedy of languages loss, but also about inspiring work to defend and expand bilingual

programs. Book jacket.

They Only Changed His Name

AuthorHouse

This is a fictionalized presentation of selected biographical events in the life of Bernard E. Baumbach (1892-1981) and the centerpiece of the story is that of family: his family on "Dutch Hill" in the Cornplanter Township in PA; his wife Julia Becker's family in Pasadena, CA; and Julia's and his family of five children in Anaheim, CA.

Renewing the Mind

The Foundation of Your Success

Destiny Image Publishers

Many Christians today struggle through life with sin, failures, and depression and wonder why it's all happening

to them. Paul teaches that the "spiritual mind" is life and peace. The fact is that until our minds are renewed by the Word of God, we will still be conformed to this world. If you try to change your attitudes or behaviors without dealing with your basic mind-set, the changes will only be temporary; and soon your mind will lead you into the same problems over and over again. Once your mind has been renewed, you will discover your entire life changing for the better. Pastor Casey Treat gives insight and revelation to finding the real and lasting change you desire. Many do not realize the effect their thoughts have on their spiritual lives. In Casey's message you will learn

to renew your thoughts and develop the life of victory that you desire. Discover a life of peace and freedom that begins with Renewing the Mind! You will discover: The power of your thought patterns Five areas of the mind that must be renewed How to get your mind in shape Keys to restoring your mind for victory "You have a winner! All Christians need to read this book!" - Ed Cole "This book will help bring your thinking in line with the positive framework of God's Word and show you how to achieve the success in life that God wills for all who choose His thoughts and His ways." - T.L. Osborn

I Hate English

Kong, Mei Mei finds it difficult to adjust to school and learn the alien sounds of English

He Changed My Name *Createspace Independent Publishing Platform*

Eager to escape the hypocrisy of the church and build her singing career, pop sensation, Ayanti "Yanni" Effiong enters and wins The Next World Star. Apart from fulfilling her dream, her move to America offers the perfect opportunity to help young female immigrants. A cause she pursues with a passion until fame takes over. Fifteen years later, broke, dumped and fresh out of jail, she begins to regret the lifestyle and name she created for herself. Mensah Afortey is on the brink

of losing the church he put his heart and soul into for the past seven years. This year's Valentine Day gala is his last attempt to raise money for the church. Everything is set but they need a big name to pull in donations. Just as he is about to give up, in walks "Yanni." When he agreed for Ayanti to serve community service under his church he didn't know she was the same person as the embattled star. While she pays her debt to society, the last thing she wants to do is perform on a day that left a bitter taste in her mouth. But there is no denying the instant attraction between them. Before he wins her heart, Mensah must win her soul. Over time and in

fellowship with the church, Ayanti comes to realize that despite what man calls her, God has the ability to change her name.

Design Mom

How to Live with Kids: A Room-by-Room Guide *Artisan Books*

New York Times best seller Ever since Gabrielle Stanley Blair became a parent, she's believed that a thoughtfully designed home is one of the greatest gifts we can give our families, and that the objects and decor we choose to surround ourselves with tell our family's story. In this, her first book, Blair offers a room-by-room guide to keeping things sane, organized, creative, and stylish. She

provides advice on getting the most out of even the smallest spaces; simple fixes that make it easy for little ones to help out around the house; ingenious storage solutions for the never-ending stream of kid stuff; rainy-day DIY projects; and much, much more.

Things I Should Have Said *Worthy Books*

Now a National Bestseller! In this intimate memoir, actress and musician Jamie Lynn Spears opens up for the first time, telling her unfiltered story on her own terms. You've read the headlines, but you don't know Jamie Lynn Spears. The world first met Jamie Lynn as a child star, when it was her job to perform,

both on set and for the press. She spent years escaping into different characters on *All That* and *Zoey 101*. But as she grew up, faced a teen pregnancy, raised her daughter on her own, pursued a career, and learned to stand on her own two feet, the real Jamie Lynn started to take center stage— a raw, blemished, and imperfect woman, standing in her own power. Despite growing up in one of America's most tabloid-famous families, Jamie Lynn has never told her story in her own words. In *Things I Should Have Said*, she talks frankly about the highs and lows, sharing what it was like traveling the world as a kid, how she moved into acting and performing herself,

what life as a child star took from her, and the life-changing reality of becoming a teen mom. She talks about how she finally found love and how the mistakes she has made have taught her more than anything else. She also shares vulnerably about how the ATV accident that nearly took her daughter's life brought her back to her faith and caused her to reevaluate and redirect her life. Frank, courageous, and inspiring, *Things I Should Have Said* is a portrait of a wife, momma, sister, daughter, actress, and musician doing the best she could to show up for herself and teach her daughters to have the courage to love every part of themselves, too.

Offbeat Bride

Create a Wedding That's Authentically YOU *Seal Press*

Newly updated for a new audience of independent, out-of-the-bridal-box thinkers, *Offbeat Bride* is today's go-to source of support for couples who dare to walk off the beaten aisle. Unenthused by a white wedding gown and bored by the hoopla of the Hollywood-style reception, Ariel Meadow Stallings found herself absolutely exhausted by -- and horribly distanced from -- the nuances of traditional nuptials. So, she chose the aisle less-traveled for her own wedding day. In this newly updated edition of *Offbeat Bride*, Stallings humorously recounts

the story of the original offbeat wedding -- hers -- and shares anecdotes and advice from dozens of other nontraditional couples. She provides plenty of insider tips for avoiding extra costs and cumbersome obligations, along with a clever planner to help you create your own special day. Both practical and enjoyable, *Offbeat Bride* validates choosing the funky, different, and offbeat over the traditional, and leads couples through the planning process--from unique ideas on how to announce the engagement all the way to answering the question, "So, how's married life?" Stallings is the ultimate guide to the alternative wedding of your

dreams, encouraging every bride and groom to create their own distinctive celebrations of partnership and love.

Gifts of Passage *New York : Harper*
Autobiographical accounts, travel sketches, and reminiscences, many of them reprints of former magazine articles.

The Everything Store

Jeff Bezos and the Age of Amazon *Little, Brown*
The authoritative account of the rise of

Amazon and its intensely driven founder, Jeff Bezos, praised by the *Seattle Times* as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving

readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

Apparently There Were Complaints

A Memoir *Simon and*

Schuster

Emmy Award-winning actress Sharon Gless tells all in this laugh-out-loud, juicy, and touching memoir about her five decades in Hollywood, where she took on some of the most groundbreaking roles of her time. Anyone who has seen Sharon Gless act in *Cagney & Lacey*, *Queer as Folk*, *Burn Notice*, and countless other shows and movies, knows that she's someone who gives every role her all. She holds nothing back in *Apparently There Were Complaints*, a hilarious, deeply personal memoir that spills all about Gless's five decades in Hollywood. A fifth-generation Californian, Sharon Gless knew from a young age that she wanted to be an

actress. After some rocky teenage years that included Sharon's parents' divorce and some minor (and not-so-minor) rebellion, Gless landed a coveted spot as an exclusive contract player for Universal Studios. In 1982, she stepped into the role of New York Police Detective Christine Cagney for the series *Cagney & Lacey*, which eventually reached an audience of 30 million weekly viewers and garnered Gless with two Emmy Awards. The show made history as the first hour-long drama to feature two women in the leading roles. Gless continued to make history long after *Cagney & Lacey* was over. In 2000, she took on the role of outrageous Debbie Novotny in *Queer as*

Folk. Her portrayal of a devoted mother to a gay son and confidant to his gay friends touched countless hearts and changed the definition of family for millions of viewers. Apparently *There Were Complaints* delves into Gless's remarkable career and explores Gless's complicated family, her struggles with alcoholism, and her fear of romantic commitment as well as her encounters with some of Hollywood's biggest names. Brutally honest and incredibly relatable, Gless puts it all out on the page in the same way she has lived—never with moderation.

Weddings and Wives

In this book Dale Spender brings together the views of

some remarkable women writers in challenging and provocative insights. The social revolution that has taken place over the last 30 years in relation to weddings and wives from biblical texts to New Age ceremonies is discussed. Contributors include Nadia Wheatley, Susan Mitchell, Kate Grenville and Kaz Cooke.

Your Social Security Check While You're Outside the United States

Information Design

Research and Practice *Taylor & Francis*

Information Design provides citizens, business and government with a means of presenting

and interacting with complex information. It embraces applications from wayfinding and map reading to forms design; from website and screen layout to instruction. Done well it can communicate across languages and cultures, convey complicated instructions, even change behaviours. Information Design offers an authoritative guide to this important multidisciplinary subject. The book weaves design theory and methods with case studies of professional practice from leading information designers across the world. The heavily illustrated text is rigorous yet readable and offers a single, must-have, reference to anyone interested in information design or any of its related

disciplines such as interaction design and information architecture, information graphics, document design, universal design, service design, map-making and wayfinding.

Treasure in Clay

The Autobiography of Fulton J. Sheen

Image

Treasure in Clay provides a lifetime's worth of wisdom from one of the most beloved and influential figures in twentieth-century Catholicism. Completed shortly before his death in 1979, *Treasure in Clay* is the autobiography of Fulton J. Sheen, the preeminent teacher, preacher, and pastor of

American Catholicism. Called “the Great Communicator” by Billy Graham and “a prophet of the times” by Pope Pius XII, Sheen was the voice of American Catholicism for nearly fifty years. In addition to his prolific writings, Sheen dominated the airwaves, first in radio, and later television, with his signature program “Life is Worth Living,” drawing an average of 30 million viewers a week in the 1950s. Sheen had the ears of everyone from presidents to the common men, women, and children in the pews, and his uplifting message of faith, hope, and love shaped generations of Catholics. Here in Sheen’s own words are reflections from his childhood, his years in

seminary, his academic career, his media stardom, his pastoral work, his extensive travels, and much more. Readers already familiar with Sheen and as well as those coming to him for the first time will find a fascinating glimpse into the Catholic world Sheen inhabited, and will find inspiration in Sheen’s heartfelt recollections. *Treasure in Clay* is a classic book and a lasting testament to a life that was worth living.

Questing Home: a Safe Place for My Holy Grail

Personal Growth Through Travel *Quest Publishing*

The process of discovering betrayal, separation, divorce and rebuilding during a

time of harassment and legal conflicts is documented with clear descriptions of ways the court process often bullies regarding custody and support. Finding safety after an emotionally and psychologically abusive relationship is the culmination.

U.S. Immigration Made Easy *Nolo*

There's actually nothing easy about U.S. immigration law, but this book explains it in the plainest possible English, covering both eligibility for U.S. visas and green cards and the practical requirements of obtaining them. Useful for would-be immigrants and those who assist them.

Echoes of a Prophet

The Use of Ezekiel in the Gospel of John and in Literature of the Second Temple Period *A&C Black*

Echoes of a Prophet examines intertextual connections to Ezekiel found in John and in Second Temple literature. The Dead Sea Scrolls contain many allusions to a number of Ezekiel's oracles, while other Second Temple works refer to only a few of Ezekiel's oracles, and those only rarely. In each case, Manning examines the evidence for the presence of the allusions, studies the implied interpretational methods, and comments on the function of the allusion in advancing the author's ideas. He also analyzes John's allusions to Ezekiel: the good shepherd, the

vine, the opened heavens, imagery from the "dry bones" vision, and water symbolism. He observes that John has a few unique tendencies: he alludes to all five of Ezekiel's "oracles of hope" and primarily uses that imagery to describe the giving of the Holy Spirit and new life through Jesus.
