The Stars That Fell Seven Sisters Volume 4

Ep. 5 - The Stars That Fell , Episode 7 of A Sky Full Of Stars in WEBTOON. Two sisters (Millicent and Beatrice) wake up with no recollection of who they are, or what had happened to them. With the enemy close in toe, and the unlikely help from a hunter and an assassin, they regain more than just their memories.

Ep. 5 - The Stars That Fell - 7 | A Sky Full Of Stars

This is a good read.
 The story is wonderful

and I fell in love with the characters. Be aware though that this is a serial story that comes in 6 segments. The first story, Seven Sisters, sets up the rest of the serial and is free to read on kindle. You will have to buy the rest of the chapters though. I definitely recommend it.

So, if you read verse 4 again, it says:
“[Satan’s] tail drew the third part of the stars of heaven, and did cast them to the earth.” It is believed that one-third of God’s angels fell when Lucifer was thrown out of heaven long ago. (Angels and stars are closely associated with one another in the Bible—see Job 38:7 and Revelation 1:20.)
