Any paper whose approach and proofs are computational, using methods from Mathematical Analysis in the broadest sense is suitable and welcome for consideration in our journal, except from Applied...

Journal of Computational Analysis and Applications

The major goal of the Journal of Computational Methods in Sciences and Engineering (JCMSE) is the publication of new research results on computational methods in sciences and engineering. Common experience had taught us that computational methods originally developed in a given basic science, e.g. physics, can be of paramount importance to other neighboring

sciences, e.g. chemistry, as well as to engineering or technology and, in turn, to society as a whole.

Journal of Computational Methods in Sciences and ...

Computational Statistics & Data Analysis is a monthly peer-reviewed scientific journal covering research on and applications of computational statistics and data analysis. The journal was established in 1983 and is the official journal of the International Association for Statistical Computing , [1] a section of the International Statistical Institute .
