Toys Games And Media

This book will appeal to students, researchers, teachers, child care workers and more broadly the entertainment industry. It is appropriate for courses that deal with the specialized subject of toys and games, media studies, education and teacher training, and child development.

Toys, Games, and Media | Taylor & Francis Group

In Toys, Games, and Media, the focus is on the interplay, so to speak, between traditional toys and play and those

mediated by or combined with digital technology. The discussion considers how traditional and technology-enhanced toys are used in traditional play and in new ways of playing, and how these are woven into children's lives.

Introduction: Toys, Games, and Media | Toys, Games, and ...

Toys, Games, and Media. This book is a state-of-the-art look at where toys have come from and where they are likely to go in the years ahead. The focus is on the interplay between traditional toys...
