Amazon.co.uk: drawing projects

It contains several aspects on the subject, as the title infers one of these is a number of drawing projects. These exercises in drawing are familiar to anyone who has studied drawing at university or college. They are designed to encourage close looking and the training of the eye, brain and hand to work together. For example, early on in the book students are asked to draw an object not by looking at it but by exploring its surface through touch.
