Range Installation Guide

Installation guide. We can often arrange for your range to be connected when it is delivered by the manufacturer, provided that the electrical and gas points are already in situ and of Gas Safe standard (as shown on the information below). This does not include moving of pipes or wires, and fees are not refundable in the event of non-connection. Should you be in any doubt it will be better (and possibly cheaper) to arrange for a local engineer who can provide a more comprehensive service.
