Family-centred maternity and newborn care: national ...

Position. The International Childbirth Education Association (ICEA)

maintains that family centered maternity care is the foundation on which normal physiologic maternity care resides. Further, family-centered maternity care may be carried out in any birth setting: home, birth center, hospital, or even in emergency situations. In short, family- centered maternity care honors the family unit by supporting its physical and psychosocial development with evidence- based, individualized care.

Family-Centered Maternity Care - ICEA

ICEA's vision is to create a nurtured world through professionals trained in family-centered maternity and newborn care. We believe the best way to achieve this vision is by educating, certifying, and supporting the birth professional who believes in the freedom to make decisions based on knowledge of alternatives.
