Noumenon - a poem by rhiannon 11 - All Poetry

In philosophy, a noumenon is a posited object or event that exists independently of human sense and/or perception. The term noumenon is generally used in contrast with, or in relation to, the term phenomenon, which refers to any object of the senses. Immanuel Kant first developed the notion of the noumenon as part of his transcendental idealism, suggesting that while we know the noumenal world to exist because human sensibility is merely receptive, it is not itself sensible and must therefore re
