### The Ocean in Winter *Blackstone Publishing*

The lives of the three Emery sisters were changed forever when Alex, eleven at the time, found their mother drowned in the bathtub of their home. After their mother's suicide, the girls' father shut down emotionally, leaving Alex responsible for caring for Colleen, then eight, and little Riley, just four. Now the girls are grown and navigating different directions. Alex, a nurse, has been traveling in India and grieving her struggle to have a child; Colleen is the devoted mother of preteens in denial that her marriage is ending; and Riley has been leading what her sisters imagine to be the dream life of a successful model in New York City. Decades may have passed, but the unresolved trauma of their mother's death still looms over them, creating distance between the sisters. Then, on a March night, a storm rages near the coast of northeastern Massachusetts. Alex sits alone in an old farmhouse she inherited from a stranger. The lights are out because of the storm; then, an unexpected knock at the door. When Alex opens it, her beautiful younger sister stands before her. Riley has long been estranged from their family, prompting Colleen to hire the private investigator from whom they'd been awaiting news. Comforted by her unexpected presence, Alex holds back her nagging questions: How had Riley found her? Wouldn't the dirt roads have been impassable in the storm? Why did Riley insist on disappearing back into the night? After her mysterious visitation, Alex and Colleen are determined to reconcile with Riley and to face their painful past, but the closer they come to finding their missing sister, the more they fear they'll only be left with Riley's secrets. An unforgettable story about grief, love, and what it means to be haunted, The Ocean in Winter marks the debut of a remarkable new voice in fiction.

**Enemy of All Mankind** *Penguin*

“Thoroughly engrossing . . . a spirited, suspenseful, economically told tale whose significance is manifest and whose pace never flags.” —The Wall Street Journal From The New York Times–bestselling author of The Ghost Map and Extra Life, the story of a pirate who changed the world Henry Every was the seventeenth century’s most notorious pirate. The press published wildly popular—and wildly inaccurate—reports of his nefarious adventures. The British government offered enormous bounties for his capture, alive or (preferably) dead. But Steven Johnson argues that Every’s most lasting legacy was his inadvertent triggering of a major shift in the global economy. Enemy of All Mankind focuses on one key event—the attack on an Indian treasure ship by Every and his crew—and its surprising repercussions across time and space. It’s the gripping tale of one of the most lucrative crimes in history, the first international manhunt, and the trial of the seventeenth century. Johnson uses the extraordinary story of Henry Every and his crimes to explore the emergence of the East India Company, the British Empire, and the modern global marketplace: a densely interconnected planet ruled by nations and corporations. How did this unlikely pirate and his notorious crime end up playing a key role in the birth of multinational capitalism? In the same mode as Johnson’s classic nonfiction historical thriller The Ghost Map, Enemy of All Mankind deftly traces the path from a single struck match to a global conflagration.

**The Beginner's Goodbye** *Vintage*

Pulitzer Prize-winning author Anne Tyler gives us a wise, haunting, and deeply moving new novel about loss and recovery, pierced throughout with her humor, wisdom, and always penetrating look at human foibles. Crippled in his right arm and leg, Aaron grew up fending off a sister who constantly wanted to manage him. So when he meets Dorothy, an outspoken, independent young woman, she’s like a breath of fresh air. He marries her without hesitation, and they have a relatively happy, unremarkable marriage. Aaron works at his family’s vanity-publishing business, turning out titles that presume to guide beginners through the trials of life. But when a tree crashes into their house and Dorothy is killed, Aaron feels as though he has been erased forever. Only Dorothy’s unexpected appearances from the dead—in their house, on the roadway, in the market—help him to live in the moment and to find some peace. Gradually, Aaron discovers that maybe for this beginner there is indeed a way to say goodbye. “Like a modern Jane Austen, Tyler creates small worlds [depicting] the intimate bonds of friendship and family.”—USA Today “An absolute charmer of a novel . . . With sparkling prose . . . [Anne] Tyler gets at the beating heart of what it means to lose someone, to say goodbye.”—The Boston Globe “Classic Tyler . . . The wonder of Anne Tyler is how consistently clear-eyed and truthful she remains about the nature of families and especially marriage.”—Los Angeles Times “Beautifully intricate . . . By the exquisitely romantic emotional climax [an] ordinary life has bloomed into an opera.”—Entertainment Weekly

**The Girl with Ghost Eyes** *Simon and Schuster*

“The Girl with Ghost Eyes is a fun, fun read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish.” —#1 New York Times bestselling author Patricia Briggs It’s the end of the nineteenth century in San Francisco’s Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer’s ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, The Girl with Ghost Eyes is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one woman may be the key to holding everything together. **Trigger Warning** *Harper Collins*

Multiple award winning, #1 New York Times bestselling author Neil Gaiman returns to dazzle, captivate, haunt, and entertain with this third collection of short fiction following Smoke and Mirrors and Fragile Things—which includes a never-before published American Gods story, “Black Dog,” written exclusively for this volume. In this new anthology, Neil Gaiman pierces the veil of reality to reveal the enigmatic, shadowy world that lies beneath. Trigger Warning includes previously published pieces of short fiction—stories, verse, and a very special Doctor Who story that was written for the fiftieth anniversary of the beloved series in 2013—as well “Black Dog,” a new tale that revisits the world of American Gods, exclusive to this collection. Trigger Warning explores the masks we all wear and the people we are beneath them to reveal our vulnerabilities and our truest selves. Here is a rich cornucopia of horror and ghosts stories, science fiction and fairy tales, fabulism and poetry that explore the realm of experience and emotion. In Adventure Story—a thematic companion to The Ocean at the End of the Lane—Gaiman ponders death and the way people take their stories with them when they die. His social media experience A Calendar of Tales are short takes inspired by replies to fan tweets about the months of the year—stories of pirates and the March winds, an igloo made of books, and a Mother’s Day card that portends disturbances in the universe. Gaiman offers his own ingenious spin on Sherlock Holmes in his award-nominated mystery tale The Case of Death and Honey. And Click-Clack the Rattlebag explains the creaks and clatter we hear when we’re all alone in the darkness. A sophisticated writer whose creative genius is unparalleled, Gaiman entrances with his literary alchemy, transporting us deep into the realm of imagination, where the fantastical becomes real and the everyday incandescent. Full of wonder and terror, surprises and amusements, Trigger Warning is a treasury of delights that engage the mind, stir the heart, and shake the soul from one of the most unique and popular literary artists of our day.

From the New York Times bestselling author of Sepulchre and Labyrinth-a compelling story of love, ghosts and remembrance. In the winter of 1928, still seeking some kind of resolution, Freddie is travelling through the beautiful but forbidding French Pyrenees. During a snowstorm, his car spins off the mountain road. Freezing and dazed, he stumbles through the woods, emerging in a tiny village, where he finds an inn to wait out the blizzard. There he meets Fabrissa, a lovely young woman also mourning a lost generation. Over the course of one night, Fabrissa and Freddie share their stories. By the time dawn breaks, Freddie will have unearthed a tragic mystery that goes back through the centuries, and discovered his own role in the life of this old remote town. By turns thrilling, poignant, and haunting, this is a story of two lives touched by war and transformed by courage.
