(\$20 value) With this audio program you can take the experience of creating your life with you wherever you go by burning it to a CD or loading it into an iPod. You can use it while you sit and relax on the beach, while you wait for a train or when you just want some inner tranquility without having to sit in front of your computer.

ReCreate Your Life

Re-create Your Life presents a new theory about the nature of human consciousness, creation, and change that has important implications for our psychological well-being, organizational effectiveness, parenting, crime and violence prevention, drug and alcohol rehabilitation, health care, and most of the institutions of society. Unlike most theories about human nature, however, this one includes a very practical method to produce significant and lasting change.
