Women war criminals go unnoticed because their participation in

exceptional wartime violence challenges deeply held assumptions about war and about women. Despite their participation in conflicts around the world , women have historically been enshrined as innocent civilians in both policy and the popular imagination.

When Women Commit War Crimes - War on the Rocks

In wartime, women have more opportunities to gain leadership skills, which likely increases the number of women running for office after the war. However, past violence also increases threat perceptions among voters. This, combined with gender stereotypes about male and female politicians, likely reduces voter support for female candidates. Using pre- and post-war

electoral and wartime violence data at the municipal level from Bosnia, the authors present evidence that is consistent with ...
