Note-Taking. Creating notes is similar to creating highlights. If you are on a computer, click and drag your cursor to select the text you wish to annotate. If you are using a phone or tablet, press and hold with your finger and then drag. Release the cursor/your finger to pull up

the menu box.

Highlighting, Note-Taking, and Creating a Study Guide ...

Note-taking is the practice of recording information from different sources and platforms. By taking notes, the writer records the essence of the information, freeing their mind from having to recall everything. Notes are commonly drawn from a transient source, such as an oral discussion at a meeting, or a lecture, in which case the notes may be the only record of the event.
