The recent publication of The Ark of Millions of Years Volume Two sounded interesting, since the subtitle is 2012 and the Harvest of the End Times. The 331-page book has very poor quality graphics, many of which are blurred and pixelated images downloaded from the net with no acknowledgement to their origin. There is an acknowledgement of the author's cat, however - the book is dedicated to it!

The story of Noah's ark is one of the most beloved Old Testament tales. The idea of a great flood that wipes out pretty much every living thing on Earth with the exception of those lucky pairs who

got to live aboard a smelly, overcrowded boat for months is somehow so adorable that we put images of it on infant bedding sets and in ABC books.
