Amazon.co.uk: the technology of clothing manufacture

Launchmetrics Content Team Mar 25, 2014. The innovations taking place at the intersection of fashion and technology are profoundly amazing and transformative. In many respects, the fashion industry today bears little resemblance to that of a decade ago—and will change even more in the decade ahead. Legendary businessman Peter Drucker famously said, "Trying to predict the future is like trying to drive down a country road at night with no lights while looking out the back window."

5 Technology Trends Transforming the Fashion Industry ...
