The Bible and Homosexual Practice *Abingdon Press*

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most

sophisticated and convincing examination of the biblical data for our time. —Jürgen Becker, Professor of New Testament, Christian-Albrechts University

The Bible and Homosexual Practice
Abingdon Press

Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. He demonstrates why attempts to classify the Bible's rejection of same-sex intercourse as irrelevant for our contemporary context fail to do justice to the biblical texts and to current scientific data. Gagnon's book powerfully challenges attempts to identify love and inclusivity with affirmation of homosexual practice. . . . the most

sophisticated and convincing examination of the biblical data for our time. --Jürgen Becker, Professor of New Testament, Christian-Albrechts University

The Bible and Homosexual Practice
Gagnon offers the most thorough analysis to date of the biblical texts relating to homosexuality. His strong and clearly articulated argument establishes that the Bible contains a unanimous witness defining same-sex intercourse as sin. He does so while rigorously engaging biblical scholars and historians who have written both for and against this understanding of same-sex intercourse. In addition, he demonstrates systematically why attempts to classify as irrelevant for our

contemporary context the Bible's rejection of same-sex intercourse fail to do justice to the biblical texts. His conclusions are clear and compassionate, as he cautions readers on all sides of the debate against a truncated gospel, and challenges all to strive for a holistic view of the command to love God and neighbor.

What Does the Bible Really Teach about Homosexuality? *Crossway*

In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do

justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day.

Homosexuality and the Bible *Fortress Press*

In this brief book, two New Testament scholars discuss the relevant biblical

texts on the subject of homosexual behavior and orientation.

Two Views on Homosexuality, the Bible, and the Church *Zondervan Academic*

Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters, and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. *Two Views on Homosexuality, the Bible, and the Church* brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed

attention to the rich history of received Christian tradition, bringing the Bible into conversation with historical and systematic theology. To that end, both theologians and biblical scholars--well accomplished in their fields and conversant in issues of sexuality and gender--articulate and defend each of the two views: Affirming - represented by William Loader and Megan K. DeFranza Traditional - represented by Wesley Hill and Stephen R. Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility. Holding to a high view of Scripture, a commitment to the gospel and the church, and a love for people--especially those most affected by this topic--the contributors wrestle deeply with the Bible and theology,

especially the prohibition texts, the role of procreation, gender complementarity, and pastoral accommodation. The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality. The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair-minded and respectful of the biblical text. Each volume is a one-stop reference that allows readers to evaluate the different positions on a specific issue and form their own, educated opinion.

Homosexuality and the Bible
Augsburg Fortress Publishing

In this brief book, two New Testament scholars discuss the relevant biblical

texts on the subject of homosexual behavior and orientation.

God and the Gay Christian
Convergent Books

The landmark book exploring what the Bible actually says—and doesn't say—about same-sex relationships. As a young Christian man, Matthew Vines harbored the same basic hopes of most young people: to some-day share his life with someone, to build a family of his own, to give and receive love. But when he realized he was gay, those hopes were called into question. The Bible, he'd been taught, condemned gay relationships. Feeling the tension between his understanding of the Bible and the reality of his same-sex orientation, Vines devoted years of

intensive research into what the Bible says about homosexuality. With care and precision, Vines asked questions such as: • Do biblical teachings on the marriage covenant preclude same-sex marriage or not? • How should we apply the teachings of Jesus to the gay debate? • Can celibacy be a calling when it is mandated, not chosen? • What did Paul have in mind when he warned against same-sex relations? Unique in its affirmation of both an orthodox faith and sexual diversity, *God and the Gay Christian* has sparked heated debate, sincere soul searching, and widespread cultural change on the issue of what it means to be a faithful gay Christian.

Slaves, Women & Homosexuals
InterVarsity Press

This volume by William J. Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them.

Bible, Gender, Sexuality *Wm. B. Eerdmans Publishing*

In *Bible, Gender, Sexuality* James Brownson argues that Christians should reconsider whether or not the biblical strictures against same-sex relations as defined in the ancient world should apply to contemporary, committed same-sex relationships. Presenting two sides in the debate -- "traditionalist" and "revisionist" -- Brownson carefully analyzes each of the seven main texts that appear to

address intimate same-sex relations. In the process, he explores key concepts that inform our understanding of the biblical texts, including patriarchy, complementarity, purity and impurity, honor and shame. Central to his argument is the need to uncover the moral logic behind the biblical text. Written in order to serve and inform the ongoing debate in many denominations over the questions of homosexuality, Brownson's in-depth study will prove a useful resource for Christians who want to form a considered opinion on this important issue.

The Bible on the Question of Homosexuality *CUA Press*

Two Catholics and a Protestant attempt an unbiased examination of what biblical

texts have to say about homosexuality, in an analysis that even looks at Jesus's own sexual orientation and attitudes toward homosexuality. Original.

What the Bible Really Says about Homosexuality *Alamo Square Dist Incorporated*

What Does the Bible Really Teach about Homosexuality? (eBook) *Christian Art Publishers*

In WHAT DOES THE BIBLE REALLY TEACH ABOUT HOMOSEXUALITY?, award-winning author Kevin DeYoung challenges each of us – the skeptic and the seeker, the certain and the confused – to take a humble look at God's Word regarding the issue of homosexuality. After examining key biblical passages in

both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, this timely book responds to popular objections raised by Christians and non-Christians alike, making this an indispensable resource for thinking through one of the most pressing issues of our day.

What Does the Bible Say on Homosexual Practice?

The New Testament on Sexuality *Wm. B. Eerdmans Publishing*

This is the fifth and final installment of William Loader's authoritative, acclaimed series on attitudes toward sexuality in the ancient world. Sexual themes are never far beneath the surface where there are human beings. This was

certainly the case for Christians in the first-century world. Some began in a strongly Jewish context and worked out their faith in dialogue with their scriptural heritage. Others had to work out their sexual ethics in a world strongly influenced by Greco-Roman ideals and practices. In *The New Testament on Sexuality* William Loader explores the relevant cultural contexts and looks at New Testament texts related to sexuality, highlighting both the warnings about sexual wrongdoing and the affirmations of sexual union. He deals with specific themes such as divorce, same-sex relations, women and men in leadership, and celibacy; individual behavior, gender roles and rules, preferences, and hopes also fall under the scope of his investigation.

Broad-ranging and thorough, this book engages both the biblical texts and the diverse ways in which they have been interpreted.

Unchanging Witness *B&H Publishing Group*

The church is going through a time of severe fracture over the issue of homosexuality. This book addresses the arguments from the gay Christian movement and revisionist theologians and exegetes on a single point: Can they withstand the evidence of the primary sources? In *Unchanging Witness*, Donald Fortson and Rollin Grams articulate the consistent orthodox view on homosexuality by presenting primary sources throughout Christian history and by interpreting the biblical texts in their

cultural contexts. The first part of the book examines church history from the patristic period to the present day, and the second part engages biblical texts in light of Ancient Near Eastern, Jewish, Greek, and Roman primary sources. Throughout, the authors survey the conflicting and changing arguments of revisionist readings and contend that, in light of the overwhelming evidence of the relevant texts, the real issue is not one of interpretation but of biblical authority and Christian orthodoxy.

Faithful Conversation *Fortress Press*

Initiated by the ELCA seminary presidents, this volume is aimed at engendering reflection and conversation. *Faithful Conversations* includes five essays, a "table talk" about how specific

issues in the church are affected by these perspectives, a select bibliography of further readings, and directions on how the resource might be used.

UnClobber *Westminster John Knox Press*

Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBTQ community. Armed with only six passages in the Bible--often known as the "clobber passages"--the traditional Christian position has been one that stands against the full inclusion of our LGBTQ brothers and sisters. *UnClobber* reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martin's own story of being fired from an

evangelical megachurch when they discovered his stance on sexuality. *UnClobber* reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate assumptions and interpretations.

Prostitutes and Polygamists *Zondervan*

Jacob and Solomon were polygamists. Tamar and Rahab were prostitutes. What are polygamists and prostitutes doing on the pages of Holy Scripture? And God told the prophet Hosea to marry a prostitute. What about Cain—did he really marry his sister? Abraham did, and he was also a polygamist. Lot offered his daughters up for rape, David committed

adultery (or rape?) and the Bible calls both men righteous. Love, Old Testament style, was bizarre. As readers of the Old Testament encounter these weird, confusing, and horrific “love” stories they ask, “What’s up with sex in the Old Testament?” The church often ignores the R-rated bits of the Bible, so it’s hard for people to find answers to their disturbing questions about sex in Scripture, which can lead people to give up on God and God’s word. However, these stories were included in the Bible for a reason, to reveal an even more shocking “love” story. When humans behave badly, God behaves graciously. God not only forgives people with sexual baggage, but also redeems their lives and includes them in his mission. God’s word records their story to benefit us.

Just as sex was not often ideal in the Old Testament, it’s often not ideal today. Instead of ignoring these stories, Prostitutes and Polygamists engages, discusses, and learns from them.

Love Into Light *Ambassador International*

The New Testament and Homosexuality *Fortress Press*

Just what is a proper use of the Bible, especially the New Testament, in Christian debates about acceptance of homosexuals? In addition to bringing clarity and honesty to issues of the relevance of the Bible, this work brings a little more light and a little less heat to the discussion, a little more acceptance of all persons on the "other side," and

maybe even an awareness that in Christ there is really no "other side" at all.

Is God anti-gay? *The Good Book Company*

A practical and sensitive exploration of the Bible's teaching on homosexuality. A practical and sensitive exploration of the Bible's teaching on homosexuality. It's the hot topic of the moment. Christians, the church and the Bible seem to be out of step with modern attitudes towards homosexuality. And there is growing hostility towards those who hold a different view to the culture's. So is God homophobic? And how do we relate to both Christians and non-Christians who experience same-sex attraction? In this short, simple book, Sam Allberry wants to help confused Christians understand

what God has said about these questions in the scriptures. Drawing on his own experience, he offers a positive and liberating way forward through the debate. This revised and updated version includes answers to some new questions, including: * Should Christians attend gay weddings? * Isn't the Christian view of sexuality dangerous and harmful? * Is it sinful to experience same-sex attraction?

Same-Sex Attraction and the Church *InterVarsity Press*

When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, and yet he is committed to Scripture and the church's traditional position on sexuality. In this

honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full.

Can You Be Gay and Christian?

Charisma Media

Offers practical guidance for Christians who have gay friends, family members, or who struggle with their own sexuality.

The Bible's Yes to Same-Sex Marriage *Westminster John Knox Press*

In the early 2000s, Mark Achtemeier embarked on a personal journey with the Bible that led him from being a conservative, evangelical opponent of gay rights to an outspoken activist for gay marriage and a fully inclusive church. In *The Bible's Yes to Same-Sex*

Marriage, Achtemeier shares what led to his change of heart: the problems with excluding groups of people and the insights into the Bible's message that led him to recognize the fullness of God's love and support for the lesbian, gay, bisexual, and transgender (LGBT) community. Readers will discover how reading snippets of Scripture out of context has led to false and misleading interpretations of the Bible's message about LGBT persons. Achtemeier shows how a careful reading of the whole Scripture reveals God's good news about love, marriage, and sexuality for gay and straight people alike.

A Slippery Slope?

Jonathan Loved David *Westminster*

John Knox Press

In this thoughtful exploration of a sensitive issue, Tom Horner considers all the references to homosexuality in the Bible--the stories of Sodom and Gibeah, David and Jonathan, Ruth and Naomi, and passages from Deuteronomy, Leviticus, Romans, I Corinthians, and I Timothy. He includes an important discussion of the words and actions of Christ in their biblical and historical context, to determine what conclusions can validly be inferred about Jesus and sexuality. This book contains suggestions for further reading and a complete list of biblical references to homosexuality. Teachers, students, and anyone open to reconsidering homosexuality in the light of the Scriptures will profit from this clearly

written work.

Washed and Waiting *Zondervan*

Wesley Hill's personal experiences and biblical reflections offer insight into how a nonpracticing gay Christian can "prove, live out, and celebrate" the grace of Christ and the power of the Holy Spirit. For many who are on this path, it's a lonely one. The reality of loneliness and isolation of the celibate homosexual Christian is something that Hill lives and takes seriously in his pursuit of the gospel-centered life. To those on a similar journey, it's often a life of uncertainties and questions. In *Washed and Waiting*, Hill explores the three main struggles that have been part of his daily effort to live faithfully: What exactly does the gospel demand of gay and

lesbian Christians, and how can it enable them to fulfill its commands? How do Christians who experience homoerotic desires live with the loneliness such desires entail? Is there any relief for it? What comfort does the gospel offer? Can those of us who struggle with homosexuality please God and truly experience his pleasure in the midst of sexual brokenness? Interspersed throughout these main sections are character sketches and stories of people who have experienced this journey's trials and triumphs. Hill offers wise counsel that is biblically faithful, theologically serious, and oriented to the life and practice of the church. As a celibate gay Christian, he gives us a glimpse of what it looks like to wrestle firsthand with God's "No" to same-sex

sexual intimacy and contemplate serious and difficult questions.

Washed and Waiting *ReadHowYouWant.com*

Yet many who sit next to us in the pew at church fit that description, says author Wesley Hill. As a celibate gay Christian, Hill gives us a glimpse of what it looks like to wrestle firsthand with God's No to same-sex relationships. What does it mean for gay Christians to live faithful to God while struggling with the challenge of their homo...

Reasoning Together *Herald Press*

Two theologians, Ted Grimsrud and Mark Thiessen Nation, argue both sides of an issue that is vexing the postmodern church: homosexuality. This book

develops the give-and-take over the differences between the two scholars, but it also offers areas of agreement and consensus.

Is the Big Bang Biblical? *New Leaf Publishing Group*

Almost everyone has an interest in science. Whether we're simply stargazing, or conducting laboratory experiments, studying the world around us offers marvelous opportunities to learn. As the natural world unfolds around us, it also prompts philosophical questions: Where did it all come from? Did someone make all this? Geologist and author John Morris, President of the Institute for Creation Research, is often asked a host of questions about how our world came to be. In this book, he

answers a hundred of the most common questions, and the variety of topics will excite readers of all ages. In his clear, non-technical style, Morris tackles the following: Has evidence for Noah's flood been found in the Black Sea? Can science prove the Bible? Doesn't carbon dating prove the earth is old? If all animals were created as plant eaters, why do some have sharp teeth? Is there water on the moon? What about stem cell research? And many more!

One Man and One Woman *Reformation Heritage Books*

What does the Bible teach about sexual relationships between people of the same sex? Does true love require that we accept all forms of sexual expression? No, real love does not

rejoice in sin, but rejoices in the truth. In the Bible, God reveals that He created gender, sex, and marriage, and we may not alter them at our will. Through His laws and works in history, God has made it clear that homosexual practices violate His holy purposes for mankind. The New Testament reaffirms God's created order and moral laws. It too warns that homosexual practice, like any other sin that we cherish, is the pathway to God's judgment. However, the Lord Jesus Christ saves sinners by His Spirit and gives them a new identity, forgiveness, life, and power to live according to His commandments. This is the message that all people need to hear: God's laws have not changed, but God's grace offers hope to sinners through Jesus Christ. Table of Contents:

1. Introduction 2. Foundations: Love, Authority, and Sexuality 3. Directions: God's Word to Ancient Israel about Homosexuality 4. Expectations: The Power of Sin and the Power of Christ 5. Conclusions: Grace and Truth

God, Marriage, and Family *Crossway*

This updated, second edition of Köstenberger and Jones's landmark work tackles the latest debates and cultural challenges to God's plan for marriage and the family and urges a return to a biblical foundation.

Reforming Sodom *UNC Press Books*

With a focus on mainline Protestants and gay rights activists in the twentieth century, Heather R. White challenges the usual picture of perennial adversaries

with a new narrative about America's religious and sexual past. White argues that today's antigay Christian traditions originated in the 1920s when a group of liberal Protestants began to incorporate psychiatry and psychotherapy into Christian teaching. A new therapeutic orthodoxy, influenced by modern medicine, celebrated heterosexuality as God-given and advocated a compassionate "cure" for homosexuality. White traces the unanticipated consequences as the therapeutic model, gaining popularity after World War II, spurred mainline church leaders to take a critical stance toward rampant antihomosexual discrimination. By the 1960s, a vanguard of clergy began to advocate for homosexual rights. White highlights the continued importance of

this religious support to the consolidating gay and lesbian movement. However, the ultimate irony of the therapeutic orthodoxy's legacy was its adoption, beginning in the 1970s, by the Christian Right, which embraced it as an age-old tradition to which Americans should return. On a broader level, White challenges the assumed secularization narrative in LGBT progress by recovering the forgotten history of liberal Protestants' role on both sides of the debates over orthodoxy and sexual identity.

Compassion without Compromise

Baker Books

Loving, Biblical Answers on Homosexuality In the next year at least one of these things will happen in your

life: • A family member will come out of the closet and expect you to be okay with it. • Your elementary-age child's curriculum will discuss LGBT families. • Your company will talk about building a tolerant workplace for LGBT co-workers. • Your college-age child will tell you your view on homosexuality is bigoted. Are you ready? In their role as pastors, Adam Barr and Ron Citlau have seen how this issue can tear apart families, friendships, and even churches. In this book they combine biblical answers with practical, real-world advice on how to think about and discuss this issue with those you care about. They also tell the story of Ron's personal journey from same-sex attraction and sexual brokenness to healing. Truth does not preclude kindness--and a good dose of humility is

necessary to love our neighbors. With sensitivity and winsomeness, this book will offer an honest but inviting message to readers: We are all in need of the healing that can only come from the truth of the gospel.

What Does the Bible Teach about Homosexuality? *Christian Focus*

God made sexuality. It is a gift and stewardship from God. But there is much more to human identity than sexuality. We were made for eternity, where the church will be married to Christ. Let us look at the words of God about homosexuality and run straight into the arms of Christ, the Savior who welcomes repentant sinners of every kind to a kingdom not built with man's strength, but with the very power and grace of

God.

Homosexuality, Science, and the "plain Sense" of Scripture *Wm. B. Eerdmans Publishing*

Elucidates the pros and cons of current Christian discussion on the question of homosexuality. Challenges partisan views and provides a balanced discussion.

Torn *Jericho Books*

Justin Lee, a gay man and devout Christian, bridges the gaps between his faith and sexuality in this insightful and touching memoir. As a teenager and young man, Justin Lee felt deeply torn. Nicknamed "God Boy" by his peers, he knew that he was called to a life in the evangelical Christian ministry. But Lee

harbored a secret: He also knew that he was gay. In this groundbreaking book, Lee recalls the events--his coming out to his parents, his experiences with the "ex-gay" movement, and his in-depth study of the Bible--that led him, eventually, to self-acceptance. But more than just a memoir, *TORN* provides insightful, practical guidance for all committed Christians who wonder how to relate to gay friends or family members--or who struggle with their own sexuality. Convinced that "in a culture that sees gays and Christians as enemies, gay Christians are in a unique position to bring peace," Lee demonstrates that people of faith on both sides of the debate can respect, learn from, and love one another.

Homoeroticism in the Biblical World*Fortress Press*

Nissinen's award-winning book surveys attitudes in the ancient world toward homoeroticism, that is, erotic same-sex relations. Focusing on the Bible and its cultural environment-Mesopotamia, Greece, Rome, Israel-Nissinen concisely and readably introduces the relevant sources and their historical contexts in a readable way. Homoeroticism is examined as a part of gender identity, i.e., the interplay of sexual orientation, gender identification, gender roles, and sexual practice. In the patriarchal cultures of the biblical world, Nissinen shows, homoerotic practices were regarded as a role construction between the active and passive partners rather than as expressions of an orientation

moderns call "homosexuality." Nissinen shows how this applies to the limited acceptance of homoerotic relationships in Greek and Roman culture, as well as to Israel's and the early church's condemnation of any same-sex erotic activity. For readers interested in the ancient world or contemporary debates, Nissinen's fascinating study shows why the ancient texts - both biblical and nonbiblical - are not appropriate for use as sources of direct analogy or argument in today's discussion.

The Church and the Homosexual*Beacon Press*

In this "brave and good book which shatters bad myths" (Commonweal), McNeill shows that the Bible does not condemn homosexuality, and argues

that the Church must not continue its homophobic practices. From the Trade Paperback edition.
