and spiritual obstacles in their lives for years. Now she provides another answer-confidence. Our society has an insecurity epidemic, women in particular. Compensating by pretending to be secure-a common response-only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and in marriage instances can even lead to divorce. In *THE CONFIDENT WOMAN*, Joyce explores the seven characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith, in God and in ourselves.

Confidence and Grace

A bible devotional for women.

Healing the Soul of a Woman

Hachette UK

Can a woman who has been deeply hurt by life's circumstances be healed, heart and soul? If she has been wounded by a man she loved and trusted, can she love and trust again? As a woman who endured years of abuse, abandonment, and betrayal by those closest to her, Joyce Meyer can answer with a resounding "yes!" Meyer's positivity comes from living her own journey, and from seeing so many women who don't believe they can fully overcome their pain-or even know where to begin-find the guidance they need in the life-changing wisdom of the Bible. Meyer's

bestseller *Beauty for Ashes* told of her personal story of healing. Now, with the passage of more time, *HEALING THE SOUL OF A WOMAN* delves deeper into Joyce's story and the journey of healing for all women. Each chapter guides you through whatever obstacles may be holding you back to find your true destiny as God's beloved. God can heal all pain, and He wants to do this in you. Let *HEALING THE SOUL OF A WOMAN* be the first step toward the wonderful, joyful future God intends for you.

The Love Revolution *FaithWords*

Joyce Meyer is not satisfied with the status quo. She believes that we each need to become a revolutionary and practice love every day. And if Joyce has her way, the revolution will spread -

person by person, house by house, town by town, until the old culture of selfishness and greed gives way to a new culture of concern for others. The book is a revolutionaries' manual, a hands-on primer for bringing the Golden Rule to life in the twenty-first century. Meyer starts out by giving some stunning statistics. Right now...210,000 children will die this week because of poverty; 640 million children do not have adequate shelter; every day, 3,000 children are abducted into the sex-trafficking industry; every day, 16,000 children die from hunger-related causes. She goes on to say that although crisis is global, the solution is local. We can't solve the world's problems, but that isn't a reason to remain idle. LOVE REVOLUTION focuses on personal

behavior on the local scale. It's not just a call to action; it is a call to being: being the person who goes out of your way to encourage someone who's out of hope; being the one who smiles at a stranger; being the one who is willing to do something for nothing. The paradox: when we do something for nothing, what we often get is something far greater.

Confidently You Faithwords

Live boldly in the love of Christ with Bible teacher and #1 New York Times bestselling author Joyce Meyer. What keeps women from feeling and being their best? For years, Joyce has been helping women better identify emotional barriers and physical, mental, and spiritual obstacles in their lives. Now she provides another answer: Confidence.

Our society has an insecurity epidemic. Women in particular compensate by pretending to be secure--a common response--which only leads to feelings of shame. Lack of self-confidence causes great difficulty in relationships of all kinds, and can even lead to divorce. In *Confidently You*, Joyce explores the characteristics of a woman with confidence, which include a woman who knows she is loved, who refuses to live in fear, and who does not live by comparisons. Joyce explains that confidence stems from being positive in your actions and living honestly, but most importantly from having faith in God and in ourselves.
